NEW PREMIER ISSUES UNIONIST MANIFESTO

Trade Within Empire, Fulfillment of Irish Treaty and Obligations Abroad and Return to Normal Procedure Among Policies Outlined by Mr. Bonar Law

To Call Conference With the Dominions

LONDON, Oct. 26.—Andrew Bonar Law, as leader of the Unionist party, in a manifesto issued this afternoon, declared one of the tasks of that party, if it is returned to power, would be to make good the Anglo-Irish treaty, both in letter and spirit, and to co-operate with the Irish Government.

Support to League

The manifesto declares it will be the Government's earnest aim, if returned, to give wholehearted and practical support to the League of Nations, to fulfill the obligations Great Britain has undertaken abroad, but not to extend her commitments, but preferably to curtail them, and to maintain friendship and good understanding with the United States.

Mr. Bonar Law said the Unionist party's purpose, if the self-governing dominions approved, was to summon an economic conference in an effort to discover how the vast trade which the resources of the Empire make possible could best be developed by mutual co-operation.

The manifesto read in part: "The crying need of the nation at this moment is that we should have tranquility and stability both at home and abroad, so that free scope should be given to the initiative and enterprise of our citizens."

Return to Normal

"With this in view, I think it of the utmost importance that we should return as quickly as possible and as completely as possible to the normal procedure which existed before the war."

"The time has now come when a change should be made in the machinery of the central government. Some of the work hitherto done by the Cabinet secretariat is essential, and must be continued, but we intend to bring that body in its present form to an end."

"As an illustration of the changes we contemplate, instructions already have been given to transfer to the Foreign Office the machinery of the League of Nations, and as regards any future international conferences, even where it is necessary that I, as Prime Minister, should be present, the machinery of the conferences will be operated, not by the Cabinet secretariat, but by the Foreign Office itself."

In all our foreign relations we intend to pursue an even course, loyally fulfilling the obligations we have undertaken, but resolutely determined not to extend our commitments, and should reasonable occasion arise, to curtail them.

"It is my confident hope that, under the well-tried guidance of the Secretary of State for Foreign Affairs, the negotiations for the settlement of the Near Eastern crisis will result in a true and lasting peace."

"It will be our earnest aim to give

the League of Nations wholehearted and practical support.

Relations With U.S.

"The maintenance of our friendship and good understanding with the United States, based not on any formal alliance, but on the community of inherited ideals, as well as the recent comradeship in arms, must always be a principal aim of British policy."

"Our task, if returned to power, will be the ratification of the Irish treaty. We are prepared to take our part in making good that treaty, both in letter and spirit, and to co-operate with the Irish Government in the new relationship within the Empire which the treaty will have created."

"We are equally pledged to safeguard the freedom of choice and the security of the parliament and the Government of Northern Ireland. We earnestly hope it will be realized that the prosperity of Ireland can only be achieved between the governments and the people of the two portions of that country."

"We desire to promote the quiet and orderly development of India under the constitution conferred on her by the Act of 1919. The co-operation of all classes and sections is essential to the progress and prosperity of India."

"At home, our chief preoccupation is the state of trade and employment."

Trade Within the Empire

"The most helpful method of reviving industry is the development of trade within the Empire. The Unionist party proposes, therefore, immediately to consult the governments of the self-governing dominions, and if they approve, to summon as early as possible an economic conference, with the view of finding in what way, by mutual co-operation, they can best develop the vast trade resources of the Empire itself."

"Plans for dealing with the situation already considered by the late Government will be examined afresh by us, with a view to seeing whether any improvements are possible, and

the necessary steps will be taken with the least possible delay."

"Such remedies are only palliatives, and real recovery will not come except from the revival of trade. To secure this the first essential is to reduce expenditure to the best obtainable level in the hope of finding some relief from the burden of taxation which is now pressing so heavily upon individuals and is the greatest clog upon the wheels of national industry."

ABOYNE CASTLE SOLD TO ABERDEEN MAN

LONDON, Oct. 26.—The newly-rich continue to take over ancient country estates from Britain's old aristocracy. The latest instance is Aboyne Castle, with nearly six thousand acres of picturesque grounds, near the famous Balmoral Castle, the Scotch residence of the British sovereigns.

James Mearns, who began life as a counter clerk in Aberdeen, and who is now the owner of a dry goods store in that city, is the new owner of Aboyne Castle. He bought the estate from the Marquis of Huntly, premier marquis of Scotland, who was married last Summer to Mrs. James McDonald, of Washington, D.C. The castle, more than 250 years old, was the home of the Marquis' ancestor. The price Mearns paid for it was reported to be £120,000.

TWO GOVERNMENTS STRIVE FOR CONTROL

Chinese City of Foochow Filled With Wild Rumors of Revolutions, Plots and Counter-Plots

AMOI, China, Oct. 26.—Two governments are attempting to function at Foochow, capital of Fukien Province, where a recent uprising resulted in the flight of Li Hiao Chi, said to have been friendly to the Peking powers.

Jiao Shu Cheng, or "Little Hau," is back of the party striving for control, while Admiral Sah Cheng Ping, a strong supporter of the Peking regime, heads the other. Observers here prophesy that Admiral Sah is planning to quit Foochow and leave the field to Little Hau. Wang Chi Wei, a personal representative of Sun Yat Sen, deposed President of South China, whom opponents of the Peking Government recently invited to Fukien to set up an independent administration, has arrived at Moo Chow. Meanwhile the city is filled with all sorts of wild rumors of revolutions, plots and counter-plots.

CAUSE FOR ANXIETY SAYS LLOYD GEORGE

CHESTER, Oct. 26.—Former Premier Lloyd George, Lord Birkenhead, the Lord Chancellor in the late Cabinet; the Lord Mayor of London, and a group of his adherents, were the principal guests given a rousing welcome today, among a party entertained by the Mayor of Colchester here. Lord Birkenhead, introducing Mr. Lloyd George at the banquet, said the former Premier and himself, with a fuller realization than their opponents of the difficulties of government, would every day support their power, and would put country before party. Mr. Lloyd George followed with a brief speech.

"The mercury of the world's thermometer has not yet reached the mark which indicates 'health,' he said. 'It is nowhere near it, and until it reaches it, there is real danger and cause for anxiety. The physicians who have been watching the case and doing their best to promote recovery have said: 'Don't let us have a quarrel in this hospital until the patient has completely recovered.'"

ASK GRANT FOR NEW CABLE FROM JAPAN TO AMERICA

TOKIO, Oct. 26.—The Imperial cabinet today decided to ask for an appropriation to improve Japanese cable service, including a new cable to connect Japan with America.

If the diet refuses to grant the necessary funds, it will be asked to pass a resolution authorizing the Government to contract with a private concern to construct the American cable. A business group headed by Baron Shibusawa is ready to undertake the work.

POTATO CROP GOOD

One of Best Yields in History in England and Wales Causes Demoralization of Prices

OTTAWA, Oct. 26.—One of the best potato crops in the history of England and Wales, according to advices received by the Department of Trade and Commerce, coincides with absolute demoralization in prices. In some cases, it is stated, it will hardly pay farmers to lift the tubers. The yield per acre is now forecast at 8.5 tons, or 15 per cent above the average. On this basis the total production of potatoes in England and Wales would be 2,860,000 tons, as compared with 2,460,000 tons last year.

TWO FIRE FIGHTERS KILLED DOING DUTY

QUEBEC, Oct. 26.—It was reported today at the office of G. C. Piche, chief forester, that two more fatal accidents had occurred to forest fire fighters. Eugene L'Heureux, forest ranger of St. Michael des Saints, was killed in an automobile accident while on his way to fight the flames at Riviere du Loup. The other victim is Leonidas Boissvert, killed by the fall of a tree he had chopped down to turn the direction of the fire.

A FLYING HEADLOCK AGAIN DOES TRICK

ST. JOSEPH, Mo., Oct. 26.—Strangler Ed Lewis, heavyweight champion wrestler, threw Jirinda Gobar, Hindu heavyweight champion, in 33 minutes here tonight with a flying headlock that crushed the Hindu to the mat. Gobar forfeited the second fall.

John Peak, of Nebraska, threw Bob Kemp, of South Dakota, in straight falls.

Why "Stretching" Vital Foods May Rob Your Family's Health

"Stretching" is the name now applied to the deplorable war-borne practice of adulteration and substitution in the food that every family requires for health and growth.

Probably you are familiar with the "solid" margarine, home-made butter, "solid" milk, saccharine and soda for sugar, and salad oil composed of 50 per cent water with plant minerals and a little acid added, as well as dehydrated olive oil. Such harmful substances are positively dangerous to human health, especially when fed upon as food staples.

Perhaps during the war, there was sufficient justification for such practices, but now the emergency is over, and the genuine life-giving food staples are back again in the market.

Among these foods is Olive Oil—favorable food of healthy folks through the ages—now again enjoying popularity which the war stopped.

Purity in Olive Oil means nothing, it is quality, alone, that counts. Victoria's Virgin Olive Oil has been recognized for 14 years as the standard of highest quality.

Now you can buy Victoria's Virgin Olive Oil at practically pre-war prices. It is the purest, highest quality and delectable flavor. No better Olive Oil is produced—once you have tried it you will want no other. Buy Victoria's at your grocer's and keep the wholesome food staples in the family diet. Try it at our risk. Every can and bottle is sold with a money back guarantee.

WOMEN TEMPERANCE WORKERS CONVE

PHILADELPHIA, Oct. 26.—Canada will be ably represented at the international convention of the Women's Christian Temperance Union to be held here November 11 to 18.

The two great objects of the convention are announced as follows: The enlistment of every civilized country in the world in the anti-liquor cause, and the development of a determined fight against the movement to modify or repeal the United States dry amendment and statutes.

The Canadian delegation will be headed by Mrs. Gordon Wright, who for many years has been president of the Dominion organization. She is the sister of Hon. N. W. Rowell, member of the Union Government under Sir Robert Borden. Prominent in the delegation will be Mrs. Blanche Read Johnston, one of the honorary secretaries of the World W. C. T. U. She was for a long time editor of the Dominion organ of the organization.

FOUR MINERS KILLED

Three Bodies, It Is Expected, Will Not Be Recovered for Several Days Following Cave-In

EAST BROUGHTON, Que., Oct. 26. The bodies of the three miners killed and entombed as a result of a cave-in in the pit of one of the mines of the Asbestos Mines, Ltd., here, on Tuesday, are not expected to be recovered for two or three days. In all four were killed, but the body of one of the victims was recovered yesterday.

ADOPTED CANDIDATE

Resolution of Confidence Passed in Mr. Bonar Law on Selection to Contest Glasgow Seat

GLASGOW, Oct. 26.—Premier Bonar Law was unanimously adopted today as the Conservative and Unionist candidate for Parliament from the central division of Glasgow. A resolution of confidence in him was passed.

Girl Is Murderer
WHITE CLOUD, Mich., Oct. 26.—Mrs. Mada Hodell, 20-year-old swamp country girl, was found guilty of first degree murder by a circuit court jury here today in connection with the death of her invalid father-in-law, David Hodell. The jury had deliberated a little more than two hours.

LOCAL OPTION VOTED DOWN

Dr. Hall Tells Prohibitionists, in Convention, Business Situation in Victoria Is Becoming Desperate

VANCOUVER, Oct. 26.—The prohibition convention, by an overwhelming majority, voted down a proposition that the Government be asked to pass a local option law.

The "drys" are certain of victory, according to several speakers, who took the side against local option. They are of the opinion that by the simple process of waiting the Government will struggle itself to death with the liquor Act.

William Savage, who moved the resolution in favor of local option, pointed to its success in Saskatchewan, where twenty-one out of twenty-three liquor stores were wiped out by this method. He asserted that the liquor Act had already blown up, and was about to be abandoned in favor of beer and light wines over the bar. The liquor situation in Vancouver was such a scandal that he thought under local option the people were now ready to vote dry.

Dr. Hall, of Victoria, offered the most vigorous opposition to the resolution. "It will turn back the wheels of progress five years," he said.

"We are nearer victory than we think we are. The business situation is becoming so desperate—it is that way in Victoria—that the business men will not stand for this sort of thing much longer."

Local option, he asserted, would put in the hands of the opposition a handle where they could come back again. There must be no compromise. "If this resolution had been moved by the licensed liquor dealers' association, it could not have been more damnable," he asserted.

Mr. W. W. Peck, organizer, stated that Dr. Hall was right with regard to the growing discontent among the merchants. He favored local option.

D. S. Curtis pointed out that if they operated under local option, there would be wet spots for years. There must be no patching up.

ADVOCATES BETTER FIRE APPARATUS

Northern Ontario Municipalities Will Be Forced to Organize Fighting Forces as Result of Blaze

TORONTO, Oct. 25.—As a result of the investigation into the Northern Ontario fire disaster now being held, it is stated in official circles that the provincial government will be asked to introduce drastic regulations for the prevention of similar disasters.

Among these it is reported the establishment of fire-guard zones around towns likely to be afflicted with fires will be one of the most important of the regulations to be considered.

Municipalities likely will be forced to organize fire fighting forces while it is also suggested more efficient fire fighting apparatus in towns may be advocated.

BIG LOAN FOR INDIAN RAILWAYS

LONDON, Oct. 26.—The prospectus has just been issued of a new loan by the Government of India for £20,000,000 four and a half per cent in 1950. The proceeds are to be utilized for improving the Indian railways and for general use.

Accuses Seattle Lawyer

SEATTLE, Oct. 26.—Henry H. Ramsey, Jr., a Seattle lawyer, said to be in California, is accused in a suit filed in superior court by Mrs. Katherine Reid Peterson of swindling her out of \$25,000. Mrs. Peterson asserts that Ramsey ingratiated himself with her after she was divorced from M. E. Peterson, a bank cashier, who died six years ago. Mrs. Peterson claims that Ramsey ingratiated himself with her after she was divorced from M. E. Peterson, a bank cashier, who died six years ago. Mrs. Peterson claims that Ramsey ingratiated himself with her after she was divorced from M. E. Peterson, a bank cashier, who died six years ago.

WILL NOT INTERFERE WITH RAILROAD BOARD

OTTAWA, Oct. 26.—While Hon. George P. Graham, acting Minister of Railways and Canals, will place recommendations made to him yesterday by officers of the various railway unions before the Canadian National Board of Management in a sympathetic manner, he will not interfere with the decision of the board, it was stated here today.

The union chiefs protested against the latest contracts for Canadian National rolling stock to outside firms.

REPORTS CLEAN-UP FROM CEDAR CREEK

WILLIAMS LAKE, B.C., Oct. 26.—Cedar Creek is to the front again. Encouraging reports have been arriving here for the last week, but yesterday corks the climax.

Three corks last week, working in the Glory Hole, cleaned up \$1,167. During one day 176 ounces were rocked out.

PLAN AIRPLANE SNAPS OF DOORN WEDDING

DOORN, Oct. 26.—It is reported that a plan is on foot to photograph from an airplane the wedding procession of former Emperor William and Princess Hermine of Hanau as it proceeds from the Chateau and through the grounds to the gate of the lodge, where the civil ceremony will be performed.

Witnesses consider that it will be a dangerous exploit because of the dense woods in the grounds of the former Kaiser's chateau. Nevertheless, the aviators are reported to be determined to make the effort, and, if necessary, to land on some small open space within the grounds.

FRANC WEAKENS ON BUDGET REPORT

LONDON, Oct. 26.—The franc was weaker here today following the reports of the big deficit in the French budget. The rate opened 1 franc 23 1/2 centimes lower at 44 francs 27 1/2 centimes to the pound sterling.

Crushed to Death

CRANBROOK, B.C., Oct. 26.—Sam Premer was crushed by a truck and killed at the new Kimberley Mill site yesterday, while working with a construction gang. He was a Russian, 34, unmarried, and had no relatives in this country.

SCALE OF CHARGES FOR ARRANGING FIRES

MONTREAL, Oct. 26.—Incendiarism is responsible for such a large and growing percentage of fire losses in Eastern Canada, that insurance companies are joining together to form a bureau to investigate all fires of suspicious origin, and where justified, to prosecute suspects to finality. It was announced at the Canadian Underwriters' Association meeting today. Local heads of insurance companies declare that records show that hundreds of thousands of dollars are being paid out annually on account of fires which there is every reason to believe were deliberately set. There is actually evidence in hand, it is said, to show the existence of a well-organized fire-broking ring in Montreal and Toronto, and further evidence that a rate of from \$200,000 to \$300,000 is charged for "arranging a fire."

CONSERVATIVES LEAD TOTAL OF ASPIRANTS

Have 425 Candidates for British Parliament—Two Hundred Lloyd George Liberals

LONDON, Oct. 26.—Oratory by aspirants for seats in the new parliament fills the land. Thirteen hundred candidates have, up to now, entered the campaign for membership in the House of Commons. Of these about 425 are Conservatives. In round numbers, Labor has 400 candidates in the field, the Asquithian or free Liberals 300, and the Lloyd George or National Liberals 200. The Little Welshman, who lost his post as Prime Minister last week, is vigorously struggling to increase the number of candidates under his banner.

To obtain an outright majority in the new parliament any one party would have to elect 315 candidates. It will be seen, therefore, that the Conservatives and Laborites are the only two with enough candidates in the field to obtain an independent majority. Their organizations have been whipped into far better shape than those of the other parties. The Laborite manifesto holds a prominent place in the posters and signs. They emphasize its leading points in heavy headlines, showing how unpalatable the Labor platform is to most of the papers. Only two of them devote a full editorial to the manifesto. The Morning Post dubs it a dreary document and a "rather obvious failure to dissemble the iron claws of communism in the nice woolen glove of charity."

After an expression of the intentions of the Government to make proposals to assist the agricultural communities to overcome the difficulties confronting them, the manifesto concludes:

"There are many measures of executive and administrative importance which will be desirable and which, under other circumstances, I should have recommended to the electorate, but I do not feel that I can at this moment claim precedence over the nation's first need, which is in every walk of life, to get on with its work with a minimum of interference at home and disturbance abroad."

ACQUITTED OF MURDER ASKS RETURN OF GUN

NELSON, B.C., Oct. 26.—Following the recent acquittal by an assizes jury on grounds of the "unwritten law" Charles Begun, who shot and killed a man who had violated his home, Begun applied in the courts for an order to compel the police to return the revolver with which he had committed the crime. The presiding judge, Chief Justice Hunter of British Columbia, refused the application, with a stinging rebuke to the applicant, which ran: "A self-confessed murderer was allowed to go out free by a jury of his peers, and for the first time, so far as I know, a special kind of lynch law has been sanctioned in this country. It makes no difference in principle whether the victim is slain by one man who lurks in ambush, or by a mob who openly attack him. I am now asked to add further discredit to the administration of the law by returning the weapon to the assassin. I reject the application."

MINISTER ROUGHS IT ON ROAD INSPECTION

Had Weather, Wild Horses, Broken Country, Fate to Give Hon. W. H. Sutherland Interesting Time

Hon. W. H. Sutherland, Minister of Public Works, accompanied by Chief Engineer Phillips, of the Department, returned yesterday evening from the Interior where he, in company with Mr. H. F. Kergin, Liberal member for Alton, made a four-day trip by pack train over the route which the Government engineers have recommended should be adopted for the roadway to connect Hope and Princeton and thereby link up the Interior and Coast road systems.

REPORTS CLEAN-UP FROM CEDAR CREEK

WILLIAMS LAKE, B.C., Oct. 26.—Cedar Creek is to the front again. Encouraging reports have been arriving here for the last week, but yesterday corks the climax.

Three corks last week, working in the Glory Hole, cleaned up \$1,167. During one day 176 ounces were rocked out.

PLAN AIRPLANE SNAPS OF DOORN WEDDING

DOORN, Oct. 26.—It is reported that a plan is on foot to photograph from an airplane the wedding procession of former Emperor William and Princess Hermine of Hanau as it proceeds from the Chateau and through the grounds to the gate of the lodge, where the civil ceremony will be performed.

Witnesses consider that it will be a dangerous exploit because of the dense woods in the grounds of the former Kaiser's chateau. Nevertheless, the aviators are reported to be determined to make the effort, and, if necessary, to land on some small open space within the grounds.

FRANC WEAKENS ON BUDGET REPORT

LONDON, Oct. 26.—The franc was weaker here today following the reports of the big deficit in the French budget. The rate opened 1 franc 23 1/2 centimes lower at 44 francs 27 1/2 centimes to the pound sterling.

Brussels exchange weakened in sympathy, being quoted at 49 francs 42 1/2 centimes.

Crushed to Death

CRANBROOK, B.C., Oct. 26.—Sam Premer was crushed by a truck and killed at the new Kimberley Mill site yesterday, while working with a construction gang. He was a Russian, 34, unmarried, and had no relatives in this country.

ANOTHER PARTY ENTERS CONTEST

Co-operative Party Manifesto Proclaims for New Social Order With People's Health and Welfare Chief Concern

LONDON, Oct. 26.—A manifesto issued by the Co-operative Party in connection with the general elections is creating some interest. It describes the late Government's record as one of mismanagement and waste and extravagance, but states that Mr. Bonar Law's new Government, considered as the main, is composed of men who supported the Coalition Government, and therefore is jointly responsible for its blunders, misdeeds and follies.

The Co-operative Party declares that it is out for a new social order in which the people's health and welfare shall be the first concern. It supports the League of Nations, is in favor of the abolition of secret diplomacy, and advocates the maintenance of international free trade exchange. It is opposed to aggressive imperialism and military adventure of all kinds.

Re-establishment of Peace
With reference to foreign affairs, the manifesto says:

"At the present moment the first foreign interest, not alone of Great Britain and the British Empire, but of the world, is the re-establishment of peace. It was by wholehearted co-operation, often under great difficulties and with great differences of opinion, that we won the war. It is only by the same frank and full co-operation, conducted in the same spirit, with France and our other Allies, that we can hope to solve the difficult problems with which we are now confronted."

Irish Compensation

Discussing Ireland, the manifesto says:

"The position of innocent victims of the recent disturbances in a matter of the gravest concern to the people of this country, and it will be the duty of the Government to keep in closest touch with the Government of the Irish Free State in this matter, so that just claims for compensation may have sympathetic consideration."

After an expression of the intentions of the Government to make proposals to assist the agricultural communities to overcome the difficulties confronting them, the manifesto concludes:

"There are many measures of executive and administrative importance which will be desirable and which, under other circumstances, I should have recommended to the electorate, but I do not feel that I can at this moment claim precedence over the nation's first need, which is in every walk of life, to get on with its work with a minimum of interference at home and disturbance abroad."

ISSUE TENDERS FOR BRITISH BATTLESHIPS

LONDON, Oct. 26.—The Admiralty, it was stated today on high authority, has issued tenders for the construction of two 35,000-ton battleships. This is in accordance with the Washington agreement, but there has been much discussion as to whether Great Britain would build these ships.

Ministers Arrested

LONDON, Oct. 26.—A dispatch to the Central News from Athens says that George P. Baltazos, former Foreign Minister, M. Stais, once Minister of the Interior, and M. Bouzika, former Governor of Thessaly, were arrested yesterday after the publication of the revolutionary committee's decree establishing a tribunal to try political and military prisoners in connection with the defeat of the Greek forces in Asia Minor.

MINISTER ROUGHS IT ON ROAD INSPECTION

Had Weather, Wild Horses, Broken Country, Fate to Give Hon. W. H. Sutherland Interesting Time

Hon. W. H. Sutherland, Minister of Public Works, accompanied by Chief Engineer Phillips, of the Department, returned yesterday evening from the Interior where he, in company with Mr. H. F. Kergin, Liberal member for Alton, made a four-day trip by pack train over the route which the Government engineers have recommended should be adopted for the roadway to connect Hope and Princeton and thereby link up the Interior and Coast road systems.

REPORTS CLEAN-UP FROM CEDAR CREEK

WILLIAMS LAKE, B.C., Oct. 26.—Cedar Creek is to the front again. Encouraging reports have been arriving here for the last week, but yesterday corks the climax.

Three corks last week, working in the Glory Hole, cleaned up \$1,167. During one day 176 ounces were rocked out.

PLAN AIRPLANE SNAPS OF DOORN WEDDING

DOORN, Oct. 26.—It is reported that a plan is on foot to photograph from an airplane the wedding procession of former Emperor William and Princess Hermine of Hanau as it proceeds from the Chateau and through the grounds to the gate of the lodge, where the civil ceremony will be performed.

Witnesses consider that it will be a dangerous exploit because of the dense woods in the grounds of the former Kaiser's chateau. Nevertheless, the aviators are reported to be determined to make the effort, and, if necessary, to land on some small open space within the grounds.

FRANC WEAKENS ON BUDGET REPORT

LONDON, Oct. 26.—The franc was weaker here today following the reports of the big deficit in the French budget. The rate opened 1 franc 23 1/2 centimes lower at 44 francs 27 1/2 centimes to the pound sterling.

Brussels exchange weakened in sympathy, being quoted at 49 francs 42 1/2 centimes.

Crushed to Death

CRANBROOK, B.C., Oct. 26.—Sam Premer was crushed by a truck and killed at the new Kimberley Mill site yesterday, while working with a construction gang. He was a Russian, 34, unmarried, and had no relatives in this country.

600,000 per annum. Many of these recommendations were pigeon-holed by the Coalition Government, although approved by the supporters of economics in Parliament. Public opinion is undoubtedly in favor of the economies suggested being put into practice, and there is little doubt that if Mr. Bonar Law's Government is sustained at the coming elections it will inaugurate a policy of thrift to meet the economic conditions of the time.

It is the cry for retrenchment in administrative policies that is going to play a large part in the minds of taxpayers in the British election. It is the question of taxes that touches the people most. Taxes, when they pass the bearable limit, act as a detriment to trade and commerce and tend to create a feeling of hopelessness regarding the future. The people in Britain have been and are very heavily taxed, and they are not persuaded that all the imposts levied are necessary during the era of reconstruction. There has been an official recognition to this effect in the last Budget of the Coalition Government, when a reduction was brought in the income tax. The admission was belated, and the failure of the Coalition Government to implement the Geddes Report on economies undoubtedly has had a powerful effect on public opinion. Mr. Bonar Law and his Government can have no more powerful campaign cry in the election than that of economy in administration. It is the vital need which confronts all governments. Upon their success in reducing the burdens of taxation depends whether they stand or fall.

EAST SAANICH ROAD

The necessity of paving the East Saanich Road from Breck's Cross Roads to Sidney, which was urged several months ago in this newspaper, is now engaging the attention of the Provincial Minister of Public Works. It is to be hoped that Mr. W. H. Sutherland will give the request favorable attention. The Anacortes ferry service has given an impetus to travel through the Saanich Peninsula, and the time has arrived when the remaining portion of an up-to-date pavement should be laid down. The East Saanich Road is paved to the municipal boundary of Saanich. The balance of the roadway to Sidney lies in unorganized territory, and, therefore, under Provincial Government jurisdiction. Travel between here and Sidney promises to assume very large proportions next year, and already warrants the improvement to the roadway that is being urged. Mr. Sutherland is being asked to do something which cannot fail to inure to the development of the Saanich Peninsula, and we have every good hope of the improvement being effected without undue delay.

ARMISTICE AMENITIES

From a Casualty

The Armistice Period Committee, representing all the ex-service associations with the exception of the O.V.V.A., will contribute new items to this column from now on until Armistice Day, November 11. These items will refer to the work and efforts of the committee which is co-operating with the 5th Regiment, 14th Canadian Scottish, the Nurses and the I.O.D.E. in making Armistice Week a success.

Armistice period is a time when all should cast their thoughts back to the grim days of war. The times when you saw dear ones cut down, mangled, that we might live and enjoy freedom and liberty.

You cannot think of November 11 without casting back your mind to the many brave comrades whom we left in Flanders—to the widow, children, father, mother and sisters of these comrades left behind to mourn their loss. They died that we might live, and the highest honor we can do them, is to keep ever green their memory and make certain that their sacrifice was not in vain.

We can do this by attending the various functions during Armistice Week, arranged by the comrades of those who have gone before. The proceeds of all these events will go to a cause connected with nurses and ex-service men and their dependents.

In the next issue the Armistice Period Committee will tell the citizens of Victoria and district what they want them to do during Armistice Week, with a view to making that period the most successful celebration since the termination of the Great War.

"Don't Marlyn, of British Columbia, was a big handsome specimen of young Canada in Khaki, with the added attraction of honorable wounds which necessitated long weary weeks in an English hospital.

These weeks were made brighter than a stranger in England might have expected them to be, by the frequent visits of charming young English girls who brought cheery smiles and much interested questioning of the various patients regarding Canada and the "home towns" of these Maple Leaf boys.

Not a few romances had their beginnings in these weekly visits. "A fellow sometimes had to be careful what he said," said he.

"For instance?"

"Well, suppose a girl came to see a chap every visiting day. She asked about Canada and wanted to know all about the life and conditions and everything."

"Then one day she says, 'I don't know whether I should like it or not,' and you say, 'Why, sure you'd like it.' And she says, 'All right, I'm game.' And there you are."

Our Medical Officer

I say, sir, what is this swelling on the back of my neck?

"I don't quite know—it's nothing serious, but you'd better keep your eye on it."

Recruiting Officer—"And now, my lad, just one more question: Are you prepared to die for your country?"

Recruit—"No, I ain't. That ain't

wot I'm jining for. I want to make a few of them German blokes die for theirs."

Commanding Officer (enthusiastically, after a short battle)—"You'll make a great soldier. I tell you, my staff, as well as the ladies, were thrilled when the enemy made that surprise attack on your trench, and you, you, of all the 'rookies', did not run."

Rookie—"Thanks, sir, but you see, I—er—I was right in the middle of changing my pants, sir."

Officer—"Well, my man, and what's wrong with you?"

Private—"Valvular disease of the heart, sir."

Officer—"My word. How on earth did you get that?"

Private—"Last Medical Board gave it to me, sir."

Obvious

Red Cross Nurse—"Tell me, you name so that I can tell your mother."

Wounded Soldier (indignantly)—"My mother doesn't need to be told my name."

A. E. TODD.

P.O. Drawer 787, Victoria, B.C., Oct. 26, 1922.

Civic Taxation

Sir,—Well, interested persons are drawing comparisons between the taxes levied in Victoria and elsewhere, stating that taxation is lower here.

It is a truism that figures don't prevaricate, but nevertheless, it is equally true that prevaricators can figure. It is assumed because the rate of taxation is higher in Victoria, therefore the amount of taxes is higher. This is a fallacy.

In matters of taxation we should concern ourselves not with the rate of taxation but with the amount that the taxpayer is forced to pay the taxgatherer.

Here is a concrete illustration given by a taxpayer who owns property both in Victoria and Seattle. In Victoria the actual value of his lot, say, is \$1000. It is assessed for purposes of taxation at \$1200; the rate of tax is 30 mills. He pays taxes not on the actual value of the lot but on \$1200—the amount he pays is \$36.

In Seattle the actual value of his lot, say, is \$1500. It is assessed at the actual value, and for the purposes of taxation the value is reduced one-half and he pays a rate of 60 mills on \$750, which means a tax payable in Seattle of \$15. He, as a taxpayer, in Seattle pays \$15, and in Victoria he pays \$36.

GEO. A. MORPHY.

Acting Secretary, Taxpayers Protective Association of Victoria, Victoria, B.C., Oct. 26, 1922.

Education of Chinese

Sir,—In view of the short-sighted and narrow-minded attitude of the Victoria School Board, it may be of interest to see what England and other countries are doing in the education of Chinese students. The following are culled mainly from The North China Daily Herald of different dates. Under date London, England, July 20, The Herald's London correspondent reports:

"During the last few days there has been an animated controversy, both in the press and in parliament on the desirability of inducing more Chinese students to come to England for study. The subject was first raised by Dr. Clifford Bax to a speech which he made at the Chinese Legation. As a result The Daily Telegraph called attention to the matter, and was followed by The Daily Mail and The Times, the last named of which published a column article by Mr. David Fraser, urging that, in the interests of commerce and British interests generally, the whole question of Chinese student immigration into England should be encouraged. He especially laid stress upon the assistance which had been given to this movement by the British community in China."

The Times has since admitted to its columns a number of letters, including one from Mr. Walter de Frece, in which the value to potential Britain of these students was urged; but the writer pointed out, rightly, that it is of no use bringing them over to this country unless adequate means for their training are provided, both in the educational and technical institutions. As it is, a considerable number who come to England and have been disappointed by the educational opportunities, have gone to Germany."

At a subsequent date The Daily Mail gave an account that the British Government was contemplating spending £1,000,000 in building and providing educational facilities for Chinese students. Let Victorians contrast this with the situation which the autocratic School Board has created. Here we have the Chinese themselves anxious to learn the best, and yet we have contributed through the school tax more than the cost of educating their children, yet, in order to save their own skins against the public complaint of waste and extravagance, they have attempted to "curtail expenses" by picking upon the one people who, having no franchise, are unable to defend their rights. Those who can afford to pay a second time are already looking out for schools on the Chinese side to send their children to. When these children grow up and take up commerce or enter into official life in China, who do you think they will favor? To save money at the expense of the children who pay more than their share of the cost of educating their children is, in my mind, not only disgraceful and crooked, but it shows a lack of British descent. I have sufficient confidence in the sense of fair play and sportsmanship on the part of the

FREE—Lovely \$6.50 Electric Toaster

Nickel-plated, upright, complete with cord and fully guaranteed. This fine toaster is the special present given to each purchaser of a Barnet Kitchen Cabinet.

YOUR LAST CHANCE

To Get a Barnet Kitchen Cabinet on the Most Remarkable Terms Ever Offered

It is easy to realize that an offer such as this on a product of such outstanding quality must necessarily be limited. It will come to a close on Monday night. Until that time you can still procure a genuine Barnet Kitchen Cabinet for \$100 down, balance spread over a period of weeks or months to suit you, and the gift of an electric toaster free. Delay means that the offer is gone. Action means that you acquire an investment which will be a source of comfort during your whole lifetime.

Get in touch with us and have us deliver a Barnet Kitchen Cabinet to your home. Orders placed up until Monday night will be considered as being under this record-breaking Barnet Appreciation Sale—and all persons thus participating will be entitled to the special terms—as well as to the beautiful upright Electric Toaster. Make sure of yours. Act today.

We have the Dominion of Canada laying down the principle that the moulding of all immigrants into Canadian citizenship must be done through the educational system, where no segregation of any race is thought of; we have the Province of British Columbia quietly pocketing \$250 head tax for each boy who, believing the word of Canada, came here to receive an education in English, and we have the spectacle of a body of men and women who set themselves out to destroy the good name of Canada and would make of Canada a nation of crooks in its international relations, for it is crooked to take a people's money and refuse to deliver the goods. And in order to pacify the public demand for economy, deliberately sets itself out to pick out those who paid the most, but are unable to defend themselves, as the victims. Truly did Dr. Yul speak when he admonished the students to "find out the true God and what is His influence on the life of the people to whom you go." As far as I can see His influence is nil so far as certain would-be autocrats are concerned.

H. HASTINGS.

202 Belmont Building, Victoria, B.C., October 25, 1922.

S. P. C. A. Society

Sir,—In explanation of a recent interview, which appeared in the columns of your paper, I may say, it was not my wish to convey to the general public that the anti-vivisection society was not needed, but Mr. Editor, on the contrary, in many of the States of the Union, a constitutional amendment for such abolition has been voted on, and the question is now presenting itself to a very large degree through Canada, to place a similar act on the statutes

No Kitchen Need Be Without One

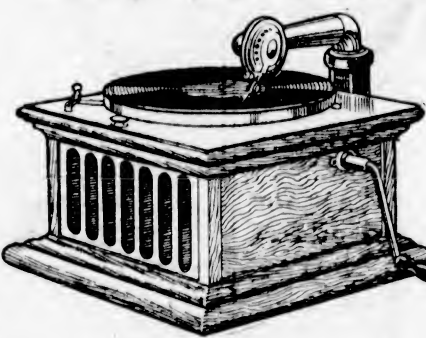

The terms, which will hold good until Monday, are so remarkable that anyone now can secure a genuine Barnet Kitchen Cabinet with the money that would probably go for meaningless things.

\$100 DOWN

We have agreed that we will place a Barnet right in the kitchen of your home for only \$100, and to spread the balance over a period of weeks or months to suit you. But you must act immediately in order to get these remarkable terms and an outright present of a beautiful new model \$6.50 Electric Toaster.

WEILER BROS. LIMITED

\$15.00 HERE is phonograph value extraordinary. This table model phonograph possesses a tone of excellent quality and volume. The price, \$15, includes two records—four selections—and 200 needles. If you wish, you can buy this phonograph on easy terms of \$5.00 cash and \$5.00 per month, without interest.

of this country re the S. P. C. A. An act of parliament was passed in the year 1895, to incorporate the S. P. C. A. Society for the Prevention of Cruelty to Animals. It was desirable to provide means for enforcing the laws and to prevent cruelty to dumb animals and also to secure the prosecution of persons violating such laws. The powers and privileges are also given to act as duly sworn constables or other peace officers, for the purpose of the society in all lawful ways for enforcing the laws and carrying out the objects of which the S. P. C. A. was incorporated. So, Mr. Editor, in the face of many comments to the contrary, the society stands in an isolated position, vested with a complete pen, and its prosecutions are within the criminal code of Canada. Its work is silently carried out and it is gratifying to know that calls of our inspectors are investigated to a marked degree in the eliminating of much unnecessary suffering amongst the dumb animals in the districts. We have mileage to contend with, often making it very difficult for the inspector to attend the many calls, and it is to be hoped that the society

FERGUSON LOSES HIS LEGAL FIGHT

SURRENDERS TO POLICE AND WILL SERVE TERM

Johnson Street Hotel Man Waged Stubborn Battle Against Conviction Under Liquor Act

After a stubborn legal fight, waged during the last fifteen months, and carried without success to the highest court in the Province, John H. Ferguson, of the Gordon Hotel, Johnson Street, surrendered himself to the custody of the city police yesterday, and prepared to undergo the sentence of six months' imprisonment, imposed by Acting Magistrate Alex. Martin in the city police court, in August, 1921, on a conviction under the Government Liquor Act of keeping liquor for sale in the said hotel.

The varying fortunes of Ferguson, in his successive attempts to obtain a reversal of the original decision, have excited much interest. He was convicted largely on the evidence of two stool pigeons, H. D. Craig and C. E. Brown, whose testimony in a similar case was discredited last year by Magistrate Jay. Also, his conviction was partly dependent upon the presumption raised against him by the presence in his hotel of a large quantity of beer. At the time of his conviction the Court of Appeal had not yet given its famous decision, by which it was held that the sale of beer is not an offence punishable by imprisonment.

Another element in the legal conflict, which added to the public interest it evoked, was the fact that Ferguson obtained permission from the Court of Appeal to take his case before the Privy Council. It was his inability to raise the considerable sum necessary to carry his appeal before the ultimate tribunal of the British Empire which has now resulted in his surrender to the police.

It was said yesterday, on the authority of counsel who have been engaged on both sides of Ferguson's fight against conviction, that representations are to be made to Attorney-General Manson, who will be asked to grant him a pardon. Ferguson's respectful and frank demeanor towards his judges in the courts has aroused considerable sympathy for him, and those in charge of the proceedings necessary in an appeal for mercy and amnesty are hopeful that they will obtain the concurrence of these judges in the petition for pardon.

Ferguson was convicted on August 29, 1921, by Mr. Alex. Martin, acting magistrate in the absence of Magistrate Jay. In the following November, Judge Lammiman dismissed the appeal taken by Mr. H. C. Lowe, counsel for Ferguson, in the County Court.

In March of this year, the Court of Appeal dismissed the further appeal taken to that tribunal. On this appeal Ferguson was represented by Mr. Lowe and Mr. Frank Higgins, K.C.; and it was the latter who raised the entire question of the constitutionality of the Government Liquor Act. Mr. Justice Martin dissented from the majority opinion of the court, and would have allowed the appeal on this broad ground.

In July of this year, Mr. Lowe made still another effort to reopen the case. Counsel asked the Court of Appeal to allow a rehearing, on the grounds that Ferguson was convicted on evidence which concerned the quantity of beer in his premises, and that the court had since held that sale of beer was not punishable by imprisonment, inasmuch as beer was not liquor within the definition of the statute. The Court of Appeal refused to reopen the case, holding that there was sufficient evidence to show that Ferguson had sold whisky in the stool pigeons.

Meantime, the Court of Appeal had granted leave to Ferguson to carry his appeal to the Privy Council. Five months was allowed by the court in which to comply with the formal conditions attaching to such leave. With the lapse of that period, without the matter being taken up with his colleagues and urge that provision be made for financing the work.

TORONTO PURCHASES RED SOX INFILDER

TORONTO, Oct. 26.—Announcement was made yesterday that the Toronto International Baseball League club had purchased Frank O'Rourke, infielder, from the Boston Red Sox. It is said Toronto paid \$3,000 for O'Rourke, who played shortstop for Toronto in 1920.

OBITUARY

GRIFFITH—The remains of the late Captain Frederick Herbert Griffith, who passed away at Queen Charlotte City on Friday, October 20, were laid to rest in the family plot yesterday afternoon. Service was held at the Thomson Funeral Home, 1625 Quadra Street, at 2:30 o'clock, when Rev. W. P. Freeman, B. A., of the First Baptist Church, gave a very impressive address. The hymn sung was "The Sands of Time Are Sinking." Mr. Robert Morrison rendered very tenderly "Across the Bar." Mr. Lawton Partington presided at the organ. There was an unusually large attendance of friends, and a profusion of beautiful flowers mately testified to the high esteem in which the late Captain Griffith was held by his many friends. The following acted as pallbearers: Captain J. C. Foote, Captain J. McLeod, Captain F. H. Brown, Messrs. A. H. McNeill, H. Culbert and W. S. Chambers. Interment was made in Ross Bay cemetery.

KIELL—The funeral of the late Mrs. Elizabeth Kiell, whose death occurred last Monday evening in this city, took place yesterday afternoon from the B. C. Funeral Chapel, where service was conducted by the Rev. W. L. Macne. Many floral designs covered the casket. The hymn sung was "Rock of Ages." The following acted as pallbearers: Messrs. H. E. Thurnell, T. G. Stothard, G. Devenson, A. W. Donaldson, H. A. Frances and T. C. Oldershaw. The remains were interred in the family plot at Ross Bay Cemetery.

MINISTER HOPEFUL OF SAANICH PAVING

Gives Encouraging Reply to Delegation Which Stresses Necessity of Finishing Way Into Sidney

That about the only thing which may hinder the project is lack of funds, but that he would take the matter up with his colleagues and do his utmost to see it carried through, was the hopeful reply given by Hon. W. H. Sutherland, Minister of Public Works, to the delegation which waited upon him yesterday morning and urged the continuance of the paving of Saanich Road from the present northern terminus of the permanent way at Bred's Crossroad, to Beacon Avenue and along the latter roadway to the Town of Sidney, thus giving a paved roadway from Victoria to Sidney.

The delegation, which was headed by Mr. M. B. Jackson, K.C., Liberal member for the Islands riding, and Mr. F. A. Pauline, member for Saanich, Aldermen Todd and Leighton of the City Council; Mr. Carl Pezday, president of the Victoria and Island Development Association; and Messrs. H. H. Watson, B. H. Davis, president and secretary, respectively, of the Sidney Board of Trade.

All members of the delegation presented arguments in favor of the paving project, emphasizing the great increase in motor traffic due to not alone the increase in private cars since the inauguration of the Sidney-Anacortes ferry, but also the numerous bus lines and freight service which have been established between Victoria and the northern points on the Peninsula. This heavy traffic has proved the unsuitability of the present macadam roadway on that section where the permanent improvement was sought, and it was predicted that during the wet weather that section would become almost impassable.

CEMETERY BOARD TO SELL MORE BONDS

First Block for \$20,000 Already Disposed Of—New Grounds Ready by Late Spring

About \$20,000 has so far been spent with the authority of the Inter-municipal Board of Cemetery Commissioners in the development of the new cemetery in Saanich. Ald. Alex. Hayward, chairman of the commission, stated yesterday.

We have power under the legislation to borrow up to \$50,000 for cemetery purposes," said Ald. Hayward. "We have put out an issue for half that amount already, but have instructed our brokers to withhold \$20,000 for the time being. Twenty thousand dollars of bonds have been sold, representing our actual expenses so far in engineering and preliminary preparation of the site, and we will authorize the sale of the remaining \$30,000 in a week or two in order to finance the work until the end of the year, and perhaps later."

Ald. Hayward stated that the new cemetery would be ready for use next Spring, and that the first interments would take place then. "So long as the Ross Bay Cemetery can be used, there is no reason for rushing completion of the new grounds," he said. "At the rate of present progress we will be ready long before the Ross Bay ground is fully occupied."

Appointment of a landscape gardener to supervise the laying-out of the new cemetery will probably be made shortly. Mr. J. A. Fischer, cemetery expert, who has been here co-operating with Mr. Fed Butterfield, the board's engineer, for the last two weeks, left yesterday for Seattle. He said he was keenly impressed with the prospects of making the new cemetery one of the finest on the Pacific Coast, and that he had never seen a more beautiful site.

WELCOMED ON MAINLAND

South Vancouver Supporters Tender Enthusiastic Reception to Mr. W. J. Bowser, K.C.

Mr. W. J. Bowser, K.C., Provincial leader of the Liberal-Conservative Party, returned home yesterday morning from the Mainland, where, on Wednesday night, he was the chief speaker at a large and enthusiastic party given by the South Vancouver, where he was tendered an ovation. Mr. Bowser was accompanied by Mr. W. G. McQuarrie and Mr. Leon J. Ladner, Federal members, respectively, for the ridings of New Westminster and Vancouver South, who also spoke.

The meeting was held for the purpose of organizing the Liberal-Conservative party in South Vancouver. There was keen contest for the various offices, and it was notable, stated Mr. Bowser, that the very best men in the party ranks there were enthusiastically in the running for election. Everywhere throughout the Province, the opposition leader stated, the organization of local associations along lines approved at the recent Vancouver convention is progressing rapidly.

Mr. Bowser declared he is feeling fit to tackle his legislative duties and promises that the opposition forces will be heard from.

VICTORIAN KILLED IN TRAIN ACCIDENT

Mr. Gerald Travis, Popular Native Son, Dies at Drummehill—Veteran of Great War

MR. GERALD TRAVIS

Injured in a train accident yesterday, Mr. Gerald Travis, of this city, died in hospital at Drummehill, Alta., after an operation, which was performed in the hope of saving his life. His brother, Mr. R. D. Travis, 1312 Stanley Avenue, was notified of the sad event.

Mr. Gerald Travis was 25 years old and a veteran of the Great War. He was the son of the late Mrs. L. Travis, and a native of Victoria. After leaving school he was engaged for some time with the Hinton Electric Company. He joined the 5th Regiment at the outbreak of war when only seventeen years old, and at the age of eighteen he went from that unit with a draft which Lieutenant-Colonel W. S. Winsby took from here to the 47th Battalion, which was recruited on the Mainland during the early part of 1915 as well as the Fall of the previous year. Pte. Travis trained with the battalion at New Westminster and Vernon, and left the latter point for overseas with the machine gun section, which joined the 1st Pioneer in a body.

Pte. Travis was in the firing line for many months and took part in some of the heaviest fighting during that period. He was wounded three times, on the third occasion sustaining serious injuries in the desperate struggle at Passchendaele. When he became convalescent he was invalided home in 1917 and a few months ago he went to the prairies. He leaves a brother, who is with the B. C. Electric Railway Company's office staff in the city and who is well known in sporting circles as a carman and a rough footballer, and an uncle, Mr. Percy Travis, of Chilliwack.

Mr. Gerald Travis was a fine type of Victoria's young manhood. He had a wide circle of warm friends here who followed his career in the war with pride and who will now leave him with the deepest sympathy of his untimely demise.

CEMETERY BOARD TO SELL MORE BONDS

First Block for \$20,000 Already Disposed Of—New Grounds Ready by Late Spring

About \$20,000 has so far been spent with the authority of the Inter-municipal Board of Cemetery Commissioners in the development of the new cemetery in Saanich. Ald. Alex. Hayward, chairman of the commission, stated yesterday.

We have power under the legislation to borrow up to \$50,000 for cemetery purposes," said Ald. Hayward. "We have put out an issue for half that amount already, but have instructed our brokers to withhold \$20,000 for the time being. Twenty thousand dollars of bonds have been sold, representing our actual expenses so far in engineering and preliminary preparation of the site, and we will authorize the sale of the remaining \$30,000 in a week or two in order to finance the work until the end of the year, and perhaps later."

Ald. Hayward stated that the new cemetery would be ready for use next Spring, and that the first interments would take place then. "So long as the Ross Bay Cemetery can be used, there is no reason for rushing completion of the new grounds," he said. "At the rate of present progress we will be ready long before the Ross Bay ground is fully occupied."

POLICE BOARD'S POLICY

Resolution Setting Forth Board's New Attitude Reached After Attorney-General's Intervention

Attorney-General Manson yesterday received from the Victoria Board of Police Commissioners the text of the resolution passed by the Board at its secret meeting on Wednesday, when the decision was reached to forego the Lord's Day Act and the suggestion approved that the act should be enforced on a "Provincial-wide basis."

Owing to the pressure of business Hon. Mr. Manson had not time yesterday to study the Board's resolution, and hence, was not prepared to make comment upon the suggestion of "Provincial-wide" enforcement of the act. The full text of the Board's resolution was as follows:

Winter Ready-to-Wear Millinery

—in style, they are clever adaptations of the most becoming millinery modes shown in the important fashion centres this season.

—in quality, they are soft and fine, the kind of materials that discriminating women prefer to wear—felts, latter's plush, velours and velvets.

—in color, you may have your choice of navy, brown, grey, sand, cherry red or black.

—in value, they will compare favorably with the best that you will find anywhere at such prices.

AH HOY

Tailor, 1603 Government Street.

"Resolved that the Police Commissioners do not desire to undertake any further responsibility in regard to the issuance of flats for alleged contravention of the Lord's Day Act. The Police Commissioners wish to point out that an informal plebiscite was taken on May 12, 1922, and without acknowledging its binding effect upon anyone, both from the attitude of many citizens in favor of the enforcement of the Lord's Day Act, but who declined to register their votes on this occasion, and also because of the limited poll taken, yet the Police Commissioners feel that they cannot altogether ignore it."

"The Police Commissioners also beg to express the opinion that any action taken in future in regard to the enforcement of the Lord's Day Act should be taken by the Attorney-General's Department and the whole matter be regarded as 'Provincial-wide.'"

COUNSEL'S LARGE BILL

Payment of \$48,635.35 Made to Mr. G. G. McGee in Freight Rates Inquiry

By order-in-council passed on Monday last by the Provincial Cabinet a special warrant for \$48,635.35 was authorized, the amount being payable to Mr. G. G. McGee, K.C., special counsel for the Province in the recent freight rates case for legal fees, disbursements, etc.

In the estimates for the year 1921-22 an appropriation for \$10,000 was made to meet expenses in the freight rates investigation, but this sum lapsed at the close of the fiscal year.

APPEALS FOR HELP FOR NEAR EAST VICTIMS

WASHINGTON, Oct. 26.—Necessity for the extension of relief in the largest possible measure to the distressed populations of the Near East is expected to be emphasized by President Harding in a proclamation which he will issue within the next few days, calling attention to the annual roll-call of the American Red Cross, beginning Armistice Day and ending Thanksgiving Day.

Insurance by the President of a proclamation directing attention to Red Cross roll-call has become an annual custom, much the same as the issuance of the Thanksgiving Day proclamation, but this year the President is planning, it is said, to devote a portion of his national appeal to the needs of the sufferers in the Near East.

Social & Personal

Mr. J. P. Trower and Miss E. Teedale, of England, are guests at the Rita Hotel.

On Wednesday, Mr. and Mrs. John Norris, of Beach Drive, left for a short visit to Seattle.

Miss Winifred Smith left for Wednesday's boat on a visit to relatives in Atlanta, Georgia.

Mrs. A. Manson, wife of Attorney-General Manson, has returned from a visit to Prince Rupert.

Inspector Rhoads, of the Royal Canadian Mounted Police, Vancouver, arrived in Victoria yesterday to inspect the local detachment.

Mr. A. G. Gibson, who is in the Jubilee Hospital recovering from an operation, wishes to thank his many friends for their kind inquiries.

Rev. William Elliott and Miss Elliott are spending a few days in Vancouver, where they are the guests of Mr. and Mrs. T. H. Donnelly.

Miss Dorothy Holt, of Kamloops, who is among the recent arrivals in this city, will enter St. Joseph's Training School for nurses at the end of the month.

Comtesse d'Aldouffret, who was a visitor in Victoria some months ago, is now in Seattle and recently was the guest of Judge and Mrs. Burke on a motor trip to Camp Lewis, and later at a dinner at the Rainier Club.

After spending a few days in Victoria, Mrs. C. S. Sweeney returned to Vancouver yesterday, where she will be joined by her husband. They will be the week-end guests of Major J. G. Fordham.

Mr. R. W. Heiberson, F.E., president of the Ryan McIntosh Timber Co., has returned after an extended trip over the Province, where he has been inspecting the cruising, valuating and engineering work being done by that firm.

Miss Margaret Bayward entertained yesterday afternoon at her home on Rockland Avenue in honor of Miss "Ticky" Jones, who is leaving next week for England, with her mother and her sister, Miss Ruth Jones. Mrs. Bayward assisted her daughter in celebrating. The tea table was prettily decorated with pink roses.

A large number of guests attended the dance given last night by the C.P.R. Social and Athletic Club at the Empress Hotel. These popular affairs are eagerly anticipated by dance devotees, who thoroughly enjoyed the splendid programme arranged last night by Oscar's orchestra. Thursday the club will hold a military five hundred drive at the Empress.

Mrs. D. M. Elbert and her daughter, Mrs. Adams, were the hostesses at a very delightful bridge tea yesterday afternoon at their home, "Hopdene," Gorge Road. The delightful affair, which was very pretty, were composed of autumn blooms and colored foliage. The guests included Mrs. F. D. Little, Mrs. J. M. Ross, Mrs. Alexis Martin, Mrs. Norman Rant, Mrs. Norman Payne, Mrs. Risteen, of Vancouver; Mrs. E. E. Blackwood, Mrs. E. S. Hinesman, Mrs. M. J. Gault, Mrs. Peters, Mrs. Tye, Mrs. C. E. Todd, Mrs. Arthur Jones, Mrs. John Irving, Mrs. A. W. Harvey, Mrs. Hedley, Mrs. J. A. Rithet and Mrs. J. D. Hunter.

Among the guests registered at the James Ray Hotel were: Mr. and Mrs. E. Pearson, Yokohama, Japan; Mr. and Mrs. Inkman, Agassiz, B.C.; Mr. and Mrs. Northcote, Prince Albert; Mrs. C. O'Keefe, Vernon, B.C.; Mrs. E. Edmond, Riverside, Calif.; Dr. Mrs. and Miss Stirling, Victoria; Evan Edwards, Vancouver; Mr. and Mrs. A. E. Menzies, Chilliwack, B.C.; Mrs. R. N. Garnett, Duncan, V.I.; W. Barnes, Cedar, V.I.; Mr. and Mrs. Borland, Vernon, B.C.; Mr. and Mrs. Wallish, Cowichan, V.I.; the Rev. C. W. Popham, Parkville, V.I.; Mrs. Dalton Popham, Parkville, V.I.; Mr. and Mrs. Miss Reeves, London, England; Mrs. R. L. Gore-Langton and two children, Nakusp, B.C.; Mrs. L. M. S. Nixon, Devon, England.

Mrs. James Wilby, Montreal Street, was hostess on Wednesday from 3 to 6 o'clock, the occasion being the fourth silver tea held for the benefit of Carle Heights Lodge. The drawing-room was very effective in yellow chrysanthemums and dahlias, while the dining-room scheme was carried out in Halloween decorations. Mrs. Foster poured tea, while the Misses Vera Bickle and Rita Evans, Mrs. Fred McConnell and Mrs. T. Tabhard assisted in serving. A delightful programme was rendered, including vocal solos by Mrs. Wallace Whidden, Mrs. Herbert Lock, recitation, Mrs. McCallum, recitation and piano solo by Mrs. Howey. In spite of the unfavorable weather conditions, a very considerable sum of money was raised, which will be used for the new lodge.

The Citizens' Muir Fund was considerably augmented last night through the receipts of a very delightful dance held at the Alexandra House and attended by about two hundred guests. Mr. Chas. Hunt and his orchestra supplied the dance music for the evening, giving their services gratis for the cause, and thereby helping the subject considerably. During the evening a head-guessing contest took place, the winner being presented with a picture of the well-known athlete Billy Muir, who sustained severe injuries in a diving exhibition, and to whom the net proceeds of the dance will be presented. The success of the entertainment is largely due to the efforts of Mrs. Dalzell, Miss Du Bois, Miss Greenwood, Miss Wellburn and Miss Woodhouse. Rupper was served under the capable management of the Alexandra House.

The third of the series of select dances, which are being held on the second and fourth Tuesdays in each month, took place on Tuesday night in Harmony Hall. Despite the inclemency of the weather there was a good turnout of dancers, who thoroughly enjoyed the excellent music provided by Wilson's orchestra, which played several of the very latest dance numbers, and to the energetic committee presided over by Mr. Arthur F. Graham. The next of the series will take place on Tuesday, November 7, when all who appreciate a really good dance are cordially invited to attend. The promoters have organized these dances solely with the view to providing cultured entertainment and recreation, and are not

looking for financial gain, being satisfied if all expenses incurred are met.

COLWOOD
Mr. Hall has just bought a pretty new house and will dwell there.

Mrs. A. S. Burgess is visiting now in Vancouver.

Mr. and Mrs. Thirlaw and two daughters are moving to their new house in Colwood shortly.

For four hours last night most of the inhabitants of Colwood and Langford were without electric light owing to a fuse burning out by Langford Station.

The Colwood Social Club held its weekly whist drive last night. The play was conducted under difficulties owing to the failure of the electric light. The winners were: First lady, Mrs. Murray; booby, Miss Murray; first gentleman, Elmore Parker; booby, Mr. Parker. There were three tables of players and many visitors present.

"HULLO" GIRLS GIVE SURPRISE PARTY FOR MISS LYDIA MCKEOWN

A surprise party and shower was held on Wednesday evening at the home of Mr. and Mrs. T. H. Donnelly, 621 Esquimalt Road, for Miss Lydia McKeown, who is resigning from the long distance staff of the B. C. Telephone Company to be wedded to Mr. William Mann, of Dollarton, B. C. Members of the operating staff of the Victoria exchange and other friends were present, and a most enjoyable evening was spent. On behalf of the long distance staff, Miss E. Teague, toll chief operator, presented Miss McKeown with a silver tea set. An hour of games, music and dancing followed, after which Miss McKeown was the recipient of a tray laden with miscellaneous gifts. Delicious refreshments were then served.

Those present were: Miss Teague, toll chief operator; Miss F. Tait, desk clerk; Miss I. Clegg, service observer; and the Misses E. Munroe, C. Whiddon, C. Taylor, M. Wallis, M. Tripp, E. Robertson, G. Spence, F. Baird, Mrs. Young, F. Ray, I. Brown and E. Harris, all members of the operating staff of the Victoria exchange; and Mrs. E. Anderson and Miss M. Booth.

Woman in Glider Flight

GERMSPOLD, Germany, Oct. 26.—What is believed to have been the first flight in a glider ever made by a woman occurred here yesterday when Frau Hassen, of Madgeburg, succeeded in remaining in the air five minutes. She was forced to land because the steering gear had not been suitably installed, the machine coming down on its side.

BRENTWOOD SCENE ON WEDNESDAY OF PRETTY WEDDING

A very pretty wedding took place at the home of Mr. and Mrs. Robert J. Parnell, of Brentwood, on Wednesday afternoon, when their eldest daughter, Ella May, became the bride of Phillip Dorton Kelly, only son of the late John J. and Mrs. Kelly, of Vancouver.

The ceremony was performed by the Rev. F. T. Tapscott, in the presence of relatives and intimate friends, the bride and groom standing beneath an arch of autumn leaves and floral wedding bells.

The bride, who was given in marriage by her father, looked exceedingly pretty in a gown of henna tulle, crepe, handkerchief headed in bronze and gold, with hat to match, and carried a shower bouquet of Ophelia roses.

The bridal party entered the room to the strains of Lehengrin's Wedding March, played by Mrs. Stewart. An aisle was formed with satin ribbon carried by two little nieces of the bridegroom, Joyce Thomson and Hazel Harvey, one dressed in pale green, the other in pale yellow, and each bearing an arm bouquet of white flowers.

The bride's sister, Miss Winona Parnell, the maid of honor, was attired in a dress of brown silk tulle, with trimmings of gold lace and hat of brown duvetyne, while Miss Doris Kelly, sister of the groom, was beauteously gowned in navy blue silk with touches of henna, and hat to match. Their bouquets were of pink carnations.

Mr. R. Hareus, brother-in-law of the groom, acted as best man.

During the signing of the register Mrs. Tapscott sang "O Promise Me" and "The Coronation."

A reception followed the ceremony, and refreshments were served by friends of the bride, the drawing-room being decorated with white roses, ivy and smilax.

The groom's gift to the bride was an amethyst ring, to each bride-maid a string of pearls, and to the flower girls gold rings. The bride's gift to the groom was a pearl tiepin.

Many beautiful gifts testified to the popularity of the young couple. Mr. and Mrs. Kelly will spend their honeymoon in Seattle, after which they will proceed to their home at Woodbridge, B.C.

SAVED FROM FLAMES BY INTELLIGENT DOG

DAVENPORT, Ia., Oct. 26.—Frantic barking of a dog saved A. H. Judich and his wife from being burned to death in their home yesterday, it was learned today.

Alarmed by the crackling of the flames in the roof and the odor of smoke, the dog succeeded by dint of yelp and barking in arousing the family before they were overcome by the dense smoke which poured into the house from the burning roof.

THE WISE MOTHER

The child who is fortunate enough to have a singing mother has a richer heritage than perhaps it may realize for many a year.

The home where the sound of music is never heard is one lacking in the true essence of the joy of life. "Out of the fullness of the heart the mouth speaketh." And where there is happiness and the spontaneity of appreciation of blue skies, golden sunshine, green grass and of the simple kindness of family and neighbors, songs will bubble forth as naturally as a cold pure spring from the heart of Mother Earth.

Modern methods of child rearing have little place for the bedtime lullaby. But the wise mother will find a place and a time for it, for the child who has not been cradled in its mother's arms and sung to has missed much of the sweetness of life.

Very small children soon show their fondness for music when they hear it and are taken into account in it. In this way a love of music is fostered and developed, and when the child is old enough to begin its musical studies there is a feeling of entering into a familiar and keenly anticipated land in place of into a strange territory which means little. We are repeatedly told that the child is born with a social and religious nature. It is equally true that the normal child is born with a musical nature as well. Environment has much to do with developing this.

Last night a number of the members of the St. John's Church Young People's Association and their friends assembled at a most enjoyable dance held at the Connought Seamen's Institute.

An ox weighing 3,700 pounds was recently exhibited at an Australian stock show.

CONSIDERS APPEAL OF CHIROPRACTOR

JUDGE RESERVES DECISION IN COUNTY COURT CASE

Local Practitioner Seeks to Reverse Police Court Conviction Under Provincial Medical Act

Judgment was reserved by Judge Laingman in the County Court yesterday on the appeal taken by Mr. Thomas Mercer, the local chiropractor, from the recent conviction by Magistrate Jay, by which the appellant was fined \$50 on the charge that, not being registered under the Medical Act, he had practised medicine upon the person of Charles Hine.

Mr. Ian Mackenzie, M.P.P., appearing for the defence, based his motion for dismissal of the charge on the specific facts adduced by the Crown, and announced that he would not enter upon any general argument as to the legal status of chiropractors under the present Provincial statute.

Mr. H. B. Robertson, K.C., appearing for the Crown, argued that the facts disclosed a continuing offence under the act.

By consent of all parties the case for the Crown was put in evidence by way of the depositions of proceedings in the lower court, the principal witness being Charles Hine, being now absent from the Province.

Spine "Adjustments"
The testimony of Hine, as read by Mr. Robertson, set out that on the date mentioned in the information, June 28 last, he had visited the defendant in his Victoria office, and had his spine examined. The defendant had given him a jerk, and had called the treatment an "adjustment." Mr. Mercer had refused to accept payment for this treatment, which payment was proffered two days later, on the occasion of a third visit. Hine had admitted upon cross-examination that he was sent to Mr. Mercer's office to get evidence.

Taking the stand in his own behalf, Mr. Mercer testified that he was a qualified chiropractor, a graduate of the Pittsburgh College of Chiropractic, where he had taken a three-year course. He had treated Hine three times, he said, but he had not done it for gain, or in the hope of reward; and had thus not brought himself, as he believed, within the formal language of the charge against him.

The defendant said that in view of the Vancouver prosecutions of chiropractors, then under way, pending, he had been very careful in his dealings with Hine. He thought at the time that Hine was a stool-pigeon, sent to get evidence against him. He had been able to spot him, every stool-pigeon sent to him, he asserted. He had concealed a friend behind the desk of his office; and this friend had overheard the conversation with Hine.

When Hine had offered him money, he had told him to forget it, Mr. Mercer swore. His usual terms for treatment were \$30 for twelve "adjustments," he explained. He admitted that he generally practiced for hire.

The Hidden Witness
George Wilkinson said that he was the friend referred to as having hidden himself behind the desk, and listened to the conversation with Hine. The witness corroborated the defendant's account of that conversation.

Mr. Mackenzie said that in this case it would not be necessary for him to touch the general legal question as to the status of chiropractors. He was entitled to ask for dismissal on the facts, he submitted. Whatever the Crown might be able to show as to the defendant's general practice of chiropractic, the prosecution was there bound by the specific charge that on June 28 the defendant had treated Hine for hire.

The evidence would not substantiate that charge, argued counsel. Also, said Mr. Mackenzie, even if the proof were given in to one single instance of this treatment, that did not constitute the continuing practice which it was necessary to establish before there could be a conviction under the Medical Act.

Mr. Robertson argued that a continuing offence, the practice of medicine for hire by an unlicensed person, had been proved, when the missions of the defendant that he kept an office; that he had an established rate of charges; and that he had treated Hine. If the defendant had known, he had said, that Hine was a stool-pigeon, why had he treated him, asked Mr. Robertson. Surely there could be no better evidence than the fact that Mercer had given Hine two treatments.

Treatment for Lawyers
The learned judge said that he desired to consult the authorities cited on the defence argument that the Crown was bound within the limits of the specific charge of treating one person on a certain date; and he would reserve judgment.

A gleam of humor was permitted to lighten the dull aspect of a somewhat technical proceeding, when it was discovered that both Mr. Robertson and Mr. Mackenzie were in and need of "adjustments" at the hands of competent medical practitioners. Mr. Mackenzie carried his right arm in a sling, the result of

a fracture sustained in a recent football game; while his learned friend sported a stiff leg, the result of a sprain. The court took judicial notice of this unhappy state of affairs; while counsel mutually indulged extra-judicial pleasantries each at the expense of the other.

Yesterday's appeal was the first of a series from recent convictions in this city and Vancouver. The decision, whatever it may be, however, came to no bearing upon the general question of the right of chiropractors to practice in British Columbia; the present case being an appeal based solely upon the specific facts adduced.

PLAN SLAUGHTER OF MANY CITY BY-LAWS

Aldermen Claim Obsolete and Cumbersome Measures Shackle Council in Progressive Efforts

Scrapping of a majority of the 2,800 by-laws under which the city of Victoria at present operates is proposed by members of the City Council as a means of giving the Mayor and aldermen, as well as officials, a freer hand in administering the corporation's affairs.

The Finance Committee, which is charged with the management of the legislative features of the Council's activities, intended to undertake a general co-ordination of existing by-laws, with a view to giving the city a more workable and up-to-date set of legal machinery with which to work.

Owing to the pressure of financial work on the Finance Committee this year it was found necessary to abandon the scheme, but its members are still convinced that the work must some day be carried out, and probably early next year the attempt will be renewed.

Provincial legislation to make by-laws applying to municipalities effective for only three years unless specifically renewed by the Council is advocated by some members of the Council, who claim that such action would clear a lot of useless and encumbering legal restrictions out of the way and make it possible for the City Council to put through necessary measures in the best interests of everyone without the delays that are necessary under present conditions.

Mayor William Marchant said yesterday that the co-ordination of civic by-laws was one of the things which he particularly wanted to put through this year, as it was referred to as one of the planks in his election platform, but he found so many other things to do that it was found impossible to give effect to the proposed reforms in that regard. Before the end of the year, however, he hopes to complete a consolidation of existing by-laws and to have the Council procedure and the duties of civic officials.

Ald. E. S. Woodward, chairman of the Finance Committee, conferred with the Mayor yesterday on the question of by-law consolidation. He declared that the city administration could make faster and better progress if it was not hampered by the by-laws that have been accumulating during the years and never rescinded. He believed that the elimination of three-fourths of the by-laws now in force would be a benefit to the city.

BLAINE OFFICIALS CAUSE LUMBER SCARE

Carload of Canadian Stock Held Up at Boundary for Duty, But It Was a Mistake

Victoria lumber operators were busy yesterday trying to substantiate reports that the United States customs officials at Blaine, Wash., had held up a carload of Canadian lumber, destined for the American market, demanding payment of a 25 per cent duty.

The reports were confirmed, but the lumbermen found out that the Blaine officials had merely made a mistake and that the shipments had subsequently been passed, after a delay, according to the United States tariff law.

The reports caused more than usual apprehension on account of the warning, voiced by Mr. J. O. Cameron before the Chamber of Commerce several days ago, that unless the Canadian Government eliminated the duty on American lumber President Harding might exercise the power given him in the Fordney-McCumber tariff act and order enforcement of an American duty on Canadian lumber similar to that on the American product. No action has, so far, been taken by the Ottawa authorities, although it is still being pressed.

Supporters Local View
Mr. Cameron's view of the situation is supported by one of the largest lumber mill and logging operators in the Province, an American living in the Middle West, who, however, keeps in close touch with the tariff situation as well as British Columbia lumber conditions, and is known to be close to the political strategists of the United States.

In a wire to Mr. Cameron, he says: "From all the information I can gather—and I have been in quite close touch with the tariff situation, and have taken prominent part in shaping the new tariff—I believe that if Canada does not respond with reasonable promptness and discontinues its tariff on lumber and manufactured lumber from the United States, pressure will be so strong on the President that the reciprocal rates will be put into effect."

Pressure on Congress
"You know there was very strong pressure brought to bear on Congress to place a duty on Canadian lumber, and the clause that was finally inserted was put there for the purpose of quieting some of the trouble that was being made in Washington. I heard the statement made that if at the very first session the Canadian Government did not take favorable action the strongest possible effort would be made to enforce that clause in the law."

"I am giving you this statement from the very best information I have on the subject, and I believe that the British Columbia lumbermen will be acting in the interests of the industry if they take this matter up promptly. It would be, in my opinion, very unfortunate if the matter was allowed to drag along until such time as there was some controversy open and the clause possibly made use of in the law. If they ever get started, it is not easy to get the matter to get straightened around again."

LONDON, Ont., Oct. 26.—First yesterday of an estimated original value of approximately thirty thousand dollars to the old Dominion abattoir plant here,

JUDGMENT WILL CONCERN BROKERS

DECISION RESERVED IN SUIT OVER RAILWAY STOCK

Defence Rests on Argument That Plaintiff Can Not Recover Money Used in Margin Speculation

Judgment was reserved by Mr. Justice Morrison in the Supreme Court yesterday in the action brought by Mrs. Elizabeth Aikman against Messrs Burdick Brothers and J. A. Aikman, for the return of moneys which she alleges are entrusted to her former husband, Mr. Aikman, for investment in Canadian Pacific Railway shares.

Evidence given last Wednesday showed that fifty shares of stock were entered on the books of Messrs. Burdick Brothers, in the name of Mrs. Aikman, when Mr. Aikman gave the order and paid for it with his money. Later the account was transferred to Mr. Aikman's name; and subsequently, on Mr. Aikman's authority, the stock was sold, and the money paid to Mr. Aikman. Mrs. Aikman said that she did not know of this until she sent word to the brokers to sell the stock. Evidence given in behalf of Messrs. Burdick Brothers was to the effect that throughout the transaction the firm had carefully followed the established rules of all reputable stock exchanges.

Stock Gambling Alleged
Mr. W. J. Taylor, K.C., appearing for Mr. Aikman, rested his defence on the argument that the transaction was a speculation in the rise and fall of stocks, and, as such, was illegal under the criminal code of Canada. Counsel was so confident on this point, he said, that he would not delay the court by adducing available evidence to show that the money in question belonged to his client, being the proceeds of furniture sold by Mrs. Aikman, but belonging to Mr. Aikman.

Mr. Ernest Miller, appearing for Messrs. Burdick Brothers, argued that Mrs. Aikman had lately held out Mr. Aikman as her legal agent in this transaction. For months, said counsel, Mrs. Aikman had never communicated with the brokerage firm, which was justified in dealing with Mr. Aikman as her legal agent. It was not until domestic difficulties arose between the parties that the

plaintiff had come to the firm's office and asked about the shares. The firm had to abide by the accepted rules of all reputable concerns in that business; and if they had refused to accept the agent's orders to sell the shares, the stock had subsequently declined on the market, their position would have been seriously questioned. Burdick Brothers would never have been more parties to this suit, said Mr. Miller, if Mr. Aikman had turned over the proceeds of the sale to the plaintiff.

Brokerage Customs
Mr. Oscar C. Bass, appearing for the plaintiff, said that Mr. Taylor's argument rested upon the citation of cases which were admittedly nothing but gambling transactions pure and simple. This transaction did not come within that category. This was a purchase of railway shares; and by the rules of the transaction, the plaintiff was obligated to accept delivery of the actual shares, and to assume liability for the purchase price of them.

Mr. Bass replied to the argument on behalf of the brokerage firm with the contention that Mr. Aikman might have been the plaintiff's agent in the matter of opening the account, but the firm had no right, on Mr. Aikman's request, to put the account in his name; and subsequently to sell the stock and give the proceeds of the sale to Mr. Aikman. The defendants indulged in any such negligence at their peril, said Mr. Bass.

The learned judge remarked that so far as the sale of stock was concerned, the issue was a fight between Mr. and Mrs. Aikman. He would reserve judgment on the legal questions raised by counsel.

Death From Fire
WINNIPEG, Oct. 26.—As the result of an early morning fire which destroyed the home of J. Vopniford, on the outskirts of this city, Jacob Vopniford, 14, is dead, his mother is in the hospital suffering from serious injuries, and Herbert Proberta, a hired man, is also in the hospital.

A 97-PIECE DINNER SET, \$26.50

A very good grade in a light, attractive, English style dinner set, with white body with two gold lines, pretty shapes; 24.50 for 97 pieces. Get a set today. No better value in city. K. A. Brown & Co., Douglas and Johnson.

JUBILEE HOSPITAL W.A. IN REGULAR SESSION

The Woman's Auxiliary to the Provincial Jubilee Hospital held its regular meeting yesterday, First Vice-President Mrs. Haas in the chair. Bills for flannellette, towel, improvement tax on lot and flowers were ordered paid.

The share of Alexandra Rose Day, amounting to \$34.19, was received with grateful thanks and a letter of acknowledgment ordered sent. A letter was read from the board of directors acknowledging the \$6,000 loan, for which the society has received security in bonds. The directors also acknowledged with thanks the silver tray service, which was greatly appreciated. Mrs. E. H. Griffiths, convener of the sewing society, reported a satisfactory opening of these meetings. Five balties, gowns, twenty-six abdominal binders and one tea binder having been made during the afternoon.

The next meeting (sewing) will be on Wednesday next and a very large attendance of members and friends is hoped for. Mrs. Hermann Robertson reported for this month a collection that she had banked \$23, and again desires to remind members that fees for 1922 are now due and may be sent to her at any time. It was unanimously agreed to postpone the linen shower until the Friday before Yuletide Sunday, when it will take the form of an Easter offering.

SCHOONER BLUENOSE HOLDS CHAMPIONSHIP

Canadian Craft Wins Third Fishermen's Race by Defeating Henry Ford, United States Vessel—Captain A. Walters, of Winning Boat, Displays Keen Sportsmanship

Challenger's Skipper Is Seeking Fourth Contest

LOUCESTER, Mass., Oct. 26.—Canada today retained her hold on the international fishermen's trophy, emblematic of the sailing ship championship of the North Atlantic seaboard, when her W. J. Roue-designed, Lunenburg-built schooner Bluenose, Captain A. Walters, defeated the United States flyer Henry Ford, Captain Clayton Morrissey, for the second time in two consecutive days' racing. The trophy will be awarded tomorrow.

The Canadian's lead at the finish line of 7 minutes, 15 seconds, won after five hours of strenuous racing in a wind ranging from 19 to 25 knots, could have been considerably increased had not Captain Walters reduced his canvas to the proportions carried by the American, after the latter's foretop mast had been carried away shortly after the schooners had squared away on the 10-mile thrash to windward from the third to the fourth mark.

After the race Morrissey estimated that Angus would have beaten him by 20 minutes had he wished to take advantage of the American misfortune. At the time, he expressed the belief that the Ford had sailed better under shortened sail and insisted that in his opinion, he could beat Angus if limited to four lovers.

Went Like a Hydroplane

Certainly the Ford carried all she could lug throughout the latter half of the course. With her decks awash by her cabin house and above, she tore through the water like a hydroplane, gained perceptibly on the Bluenose during the latter half of the thrash, and charged down the last five-mile lag to the finish line at a 13-knot clip.

Her performance was only surpassed by that of the fast climbing Bluenose, which, reduced to the same canvas as that carried by the Ford, gained six minutes and 53 seconds on her rival over the last two legs.

Walters frankly admitted after the race that while he wished most of all to defeat the American in a fair fight and without favors, this was not his sole reason in shortening sail. He had established a lead at the time the challenger's topmast went, and under the circumstances it would have been folly for him, he said, to risk losing his own gear. He added that he would rather be beaten by Clayton Morrissey than any skipper he knew, and said he was ready to race him any time the expatriated Nova Scotian said the word.

Claims Two Races Again

Tonight Captain Morrissey said he was going to challenge the Bluenose skipper to another race. "I raced after winning the first two times. We have now won two each. I hope Angus will meet me again," he said.

With negotiations pending for a race between the Bluenose and Mayflower, the latter the best schooner which has been outwitted from the international competition, there was in prospect a contest for the championship of the North Atlantic fisheries, with a possible fourth contender. Captain Ben Pine said he would ask to have the schooner Elisabeth Howard included in such a race. If held, it will probably take place off Cape Sable.

Before either the Bluenose or Henry Ford can race again, however, they must be hauled out and scraped. Keel damages delayed each this morning.

Will Not Race Again

Captain Angus Walters, of the fishing schooner Bluenose, declared positively that he would meet the Henry Ford, the defeated challenger, no more this year.

"We have won the cup," he said. "That is what we came here for. If the Henry Ford wins the elimination races next year and sails down to Halifax, we will take her on again if we are the defenders at that time."

The international sailing committee, the body in charge of the annual contests, will meet tomorrow to consider protests lodged by the American race committee against the Bluenose. Two protests were made against the Bluenose, covering three points. One raised the point that the Canadian boat sailed today without an official observer and charged that the Bluenose had a larger staysail than she had carried in the previous race.

The second protest alleged that in the series the Bluenose used a set of sails of finer quality than the ordinary fishermen's duck.

Congratulates Winner

OTTAWA, Oct. 26.—A telegram congratulating Captain Walters and the crew of the Canadian defender Bluenose was dispatched to Gloucester tonight by Premier King on behalf of the people of Canada. Premier King congratulated the victorious cup defenders upon their victory and also upon the splendid spirit of sportsmanship they showed during the contest.

STAMPS FOOT DOWN ON BOXING CONTESTS

BUENOS AIRES, Oct. 26.—After a lengthy debate the city council revoked the special permission granted to Luis Angel Firpo, South American heavyweight, to stage boxing contests in this city.

The opposition came from Socialist members. It was argued that in granting Firpo a permit the councilors were under a misapprehension and that they did not understand that he was going to stage a public prize fight. They referred to the recent bout between Firpo and Jim Tracy, the Australian heavyweight.

BLUENOSE WILL RACE MAYFLOWER

LOUCESTER, Mass., Oct. 26.—A special race between the Canadian schooner Bluenose, winner of the International fishermen's series, and the Boston schooner Mayflower, who finished as a contender for international honors, was arranged late tonight. The date of the race was tentatively set as Monday next.

BUCKS HUSSAR IS CUP WINNER

Horse Shows Reversal in Form and Leads in Newmarket Jockey Club Race—Hurry Off Wins Dewhurst Stakes

LONDON, Oct. 26.—The Newmarket Jockey Club Cup run today over the two and a quarter mile course at Newmarket Houghton provided another startling reversal of racing form when Bucks Hussar, who finished absolutely last in the Doncaster St. Leger, won easily today, finishing eight lengths ahead of Lord Lonsdale's three-year-old colt, Royal Lanet, who won the Doncaster classic in easy style from the largest field on record.

The third place went to J. White's colt, San Hedrim, who finished eighth in the St. Leger and was a poor third, finishing four lengths in the rear. Five ran.

Bucks Hussar went to the post at odds of 100 to 8 against Royal Lanet. The favorite today was quoted at 5 to 4 on, and San Hedrim, 11 to 2 against.

Seven Furlongs Race

LONDON, Oct. 26.—The Dewhurst stakes, run over the last seven furlongs of the Rowley course at Newmarket Houghton, and considered the final and most conclusive race of two-year-old racing form, was won today by the Duke of Westminster's brown colt, Hurry Off, by Hurry On, out of Edna.

Lord Roseberry's Vambrace, a brown colt out of Valens-Valle, winner of the Ditch Mills Nursery two weeks ago, finished second, beaten by a short head. Roger de Buzi, a chestnut colt by Hurry On-St. Genevieve, finished third, a length and a half behind Vambrace.

Nine horses started. Hurry Off went to the post second favorite at odds of 2 to 1 against Vambrace. Vambrace was quoted at 8 to 1 against, while Roger de Buzi started favorite at 4 to 1 against.

The stakes are of 25 sovereigns each, to which are added 500 sovereigns, the value to the winner being approximately \$5,000.

SAILOR FRIEDMAN TO FIGHT DAVE SHADE

CHICAGO, Oct. 26.—Sailor Friedman, lightweight, last night was matched to meet Dave Shade in Boston, November 6, and Morris Schlaifer in Omaha, November 13.

HAS TILDEN PLAYED HIS FINAL MATCH?

National Tennis Champion Undergoes Operation, Result of Which May Mar His Career in Sport

PHILADELPHIA, Oct. 26.—William T. Tilden II, national tennis champion, is in a local hospital today awaiting the outcome of an operation upon which hinges his future career as a net star. Suffering severe pain in the middle finger of his right hand, which became infected in a match with Wallace Johnson at Hiverton, N.J., about two weeks ago, he underwent an operation yesterday to avoid a threatened permanent stiffening of the tendon. The finger was slit down the centre.

Early today it was announced that it would be two weeks or more before it could be determined whether the finger would become normal.

Surgeons hope to prevent stiffening of the finger, which might otherwise mar Tilden's career as a tennis champion.

DENROD AND SCOTT SIGN WITH ST. PATS

TORONTO, Oct. 26.—Jerry Denrod and Ganton Scott, bright lights of last year's Aura Lee Juniors, have been signed up to play this season with St. Patrick's, National Hockey League champions.

ESKIMOS WIN ALTA. RUGBY CHAMPIONSHIPS

EDMONTON, Oct. 26.—The Eskimos won the Alberta Rugby championship yesterday afternoon, defeating the Harlequins for a second time this season, the score being 74 to 9. The game was a scrappy contest, with the Eskimos being penalized more than a dozen times, and finished in darkness.

FOOTBALLERS STUDY LOCK STEP SHIFT

United States College Eleven's Performance Is Still Receiving the Experts' Attention

NEW YORK, Oct. 26.—Football experts of the East were still studying today the puzzling lock step shift employed by the doughty eleven from Centre College, Danville, Ky., which lost to Harvard at Cambridge Saturday, 24 to 10. Should it be taken up and employed widely critics are wondering how the rules would be affected by such shifts.

As used by the Southerners Saturday, it was in conformity with established regulations, including the newly clarified rule on shift plays which has been sufficiently clear by the rules committee of the Intercollegiate Football Association to be universally interpreted to prevent all but one man on an attacking team being in motion before the ball is passed.

Those who saw the Harvard-Centre game know that the lock step shift is effective, even if they aren't quite clear why it should be more demoralizing to a team on the defence than the more common shift plays are.

New and Surprising

Being new, it had the element of surprise, not only to the spectators but to the Harvard team, which required a number of plays to accustom itself to the strange sight of a whole team marching, hand on shoulder and in approved Sing Sing style, and then trooping back before the ball was snapped.

The only objection raised against the lock step shift seems to be the time it requires, particularly when the quarterback adds an extra figure to his signals and the whole team "fronts" and "right abouts" with the precision of a troop of circus souzoues.

If the idea should find popular favor and be widely used by a number of teams, it seems probable, according to reports, that the rules committee will be asked to take cognizance of it and, perhaps, be asked to place a time limit on the completion of such shifts. As the rules now stand Centre could have marched back and forth until the whistle blew—though it would have been poor policy for a losing team.

WILL SEEK OPPONENT FOR JACK DEMPSEY

NEW YORK, Oct. 26.—A heavy-weight elimination tournament, with the idea of finding a possible opponent for Jack Dempsey, world's champion, will be held in the near future at Madison Square Garden, according to announcement by the Garden management today.

The competition, it was asserted, will bring together ten pairs of heavyweights in a series of four-round bouts.

BILLIARD CHAMPION WILL DEFEND TITLE

PHILADELPHIA, Oct. 26.—Ralph Greenleaf, of New York, national pocket billiard champion, tonight will defend his title against Bennie Allen, of Kansas City, Mo., former champion, in the first block of 150 points of a 430-point match. The remaining points will be played tomorrow and Saturday nights.

The winner will receive a diamond medal and \$1,500 in cash, the largest prize for pocket billiards in America.

Rheumatism!

try Sloan's

It kills pain

by breaking up congestion

Most aches of rheumatism arise from congestion. Apply Sloan's. Don't rub. It penetrates to the sore spot, starting the blood circulating. This reduces painful congestion—the inflammation vanishes.

Try Sloan's on sprained, bruised muscles, on aching joints and aches. Try it on that "cold in the chest."

SPORTING NEWS

BOWLING LEAGUE READY FOR YEAR

Sport Enthusiasts Anticipate Successful Season—Handsome Trophy Will Be Awarded Winning Team

The second meeting of the City Bowling League, which was held last night at the Pemberton Building, was well attended by the bowling enthusiasts of the city, who are all determined to make this indoor sport more popular than ever in the history of Victoria.

The rules governing the coming season's bowling were discussed and drafted so as to cover all possible contingencies, and thus insure a successful season for the league.

A handsome cup has been donated by the management of the alley for the winning team. This cup will be a permanent trophy to any team winning it for two consecutive years. For the bowler with the high average for the season a prize has been donated by the league. The bowler who bowls the highest individual game will also receive a prize from the same source. These prizes will be presented at the annual league smoker at the end of the season.

Elimination Tournament
On next Monday night a sudden death or elimination tournament will be started between some of the league teams. The winners of this tournament will receive a prize donated by the league. The games are scheduled as follows:

Monday, October 30—Elks No. 2 vs. Wilcox Hat Co.

Tuesday, October 31—Colonist vs. Eagles.

Wednesday, November 1—Arcades vs. Elks No. 1.

Thursday, November 2—Stockers' Reliable vs. Odd Fellows.

Friday, November 3—Monday winners vs. Tuesday winners.

Monday, November 6—Wednesday winners vs. Thursday winners.

On Tuesday, November 7 the climax will be reached when the two surviving teams will clash for the honors.

The schedule for the season's league games will be drawn up during the coming week, the opening game being scheduled to take place on Monday, November 13.

BANQUET BASEBALL WINNERS AT NANAIMO

NANAIMO, Oct. 24.—The Owls' Lodge met last night at the Lotus Cafe to do honor to the Owls' baseball team, which this season won the city championship with an undefeated record. There was naturally a large crowd present, and the banquet passed off without a hitch. Mrs. Perrine, the caterer, provided a lovely spread, to which full justice was done by all present, and the rest of the evening was devoted to jollity and harmony.

The only serious business of the evening was the presentation of the cup, donated by Mr. J. J. Grant, to the victorious Owl team. This business accomplished, the gathering settled itself to the full enjoyment of the evening. The orchestra, composed of Messrs. R. Dickinson, A. Young, D. Manson and T. J. Allen, opened the proceedings with a lively selection, after which a splendid musical programme was rendered.

Toasts were given to Mr. J. J. Grant for his donation of a cup this year, and to David Spencer, Ltd., for the gift of a cup last year. Speeches directed towards improving the game were delivered by Messrs. Phil Piper, A. Schofield and Harvey Murphy, and a most enjoyable evening was brought to a close by the singing of "Auld Lang Syne."

FOUR TEAMS ENTER VANCOUVER LEAGUE

Terminal City Amateur Hockeyists Will Talk Matters Over Tonight at Annual Meeting

VANCOUVER, Oct. 25.—Four teams will, in all probability, be seen in action in the race for the amateur hockey championship this year. The Monarchs, Bluebirds, Senators and Towers will, in all likelihood, be the teams to take the ice in the coming series this winter. It is stated that the Young Liberals will be unable to put a team in the league. Manager Shields having failed to complete arrangements. The annual meeting of the organization will be held tomorrow night, and will be presided over by L. C. Macken.

The new team in the league will be the Senators. This team will be composed of a number of players from David Spencer's, Ltd., and there will also be some of the Elk puckchasers on the line-up.

Last Year's Champions

Towers, last year's champions, and Allan Cup contestants, will have another strong team in the hunt for the gonfalon. Allan Fellowes has already practically rounded out his team, all of last year's players being ready to don the steel blades. George Cunningham, past-president of the league, is getting the Monarch puckchasers together and will make a strong bid for the championship. He will have one or two new players on his roster. The Bluebirds, composed of boys of the Province staff, will undoubtedly be given a franchise in the league. George Mould has rounded up a team which will make the other three hustle from the start of the whistle.

Allan Cup Games

In all probability the Allan Cup elimination series, as far as the West is concerned, will be held in this city. Last season the Towers journeyed to the Prairies, where they were eliminated in the preliminaries. It was agreed at that time that Vancouver or Victoria, whichever city wins out on the coast, would get the playoff as far as the West is concerned.

With the professional league play-off and Stanley Cup games on the agenda as well, hockey fans will have a busy time of it in the Spring.

At the beginning of the nineteenth century the world's ships carrying capacity was some 4,000,000 tons.

The earliest estimate of international commerce available is the year 1700, approximately \$400,000,000.

Additional Sport on Page 14

ARENA OPENS TUESDAY NIGHT

Local Ice Palace Will Be in Good Shape for the Initial Evening's Sport—Record Crowd Expected

Skaters are busy getting their skates sharpened.

And there's a reason for them doing so, too. Last night Patrick last night announced that the big arena at the Willows will open wide its doors on Tuesday evening next, October 31, at 8:15 o'clock, when the local ice palace will undoubtedly be thronged with a large number of skaters. The arena has usually been at the public's disposal in the early part of December, but owing to the hockey league starting next month, the steel blade enthusiasts will receive the benefit of the extra skating season.

This year Arena patrons will enjoy the longest skating season in the history of Victoria. Also, the local rink will fling open its shutters at the earliest date in the annals of the institution. Victorians will likely have over five months of unrestricted skating this winter, and perhaps longer, this being provisional upon the blue and gold boys winning the honors in the Pacific Coast Hockey Association League, then humbling the National League victors and winding up in the series for the hockey championship of the world against the titleholders of the Western Canada Hockey League.

Opening night at the Arena here has always been a most successful and enjoyable occasion, and the surfers of the ice has usually been well occupied by those who have turned out to have a good time. The record for attendance on the initial evening at the Willows building stands at 1,022, this mark having been reached on an opening night previous to the war years. The attendance, however, since that time has been very high, running up well into the eight and nine hundreds.

The fact that next Tuesday evening is Halloween should prove a strong drawing card for the skating rink, where local ice devotees are assured of a good night's sport and entertainment.

There will be skating at the Arena every afternoon and evening, except Sundays until the professional hockey matches begin, when skating on Friday will be cancelled. Monday nights will be reserved for the amateur hockeyists, while in the afternoon of that day the Monday skating club will hold its weekly skate.

The skating season will be held in the afternoon from 3 o'clock to 5:15 o'clock, and in the evenings from 8:15 o'clock to 10:30 o'clock. The Arena band will provide music for this year's skating, so that the local skaters will have nothing lacking to make their indulgence in the sport one of the most enjoyable since they first visited the Arena, while the season should prove to be the most successful that the Victoria ice rink has ever experienced.

TWO MORE TEAMS IN MANITOBA LEAGUE

WINNIPEG, Oct. 25.—The application of the Port Arthur and Fort William teams for admittance to the Manitoba Amateur Hockey League was accepted at a meeting of the Manitoba body here tonight.

The first and second teams will play off for the championship. Teams will be allowed to carry three substitutes instead of two as formerly. The Winnipeg teams will open the season on Monday, Dec. 4.

WILL FIGHT TEN ROUNDS

MILWAUKEE, Wis., Oct. 25.—Frank Garcia, of Memphis, today was matched with Tommy Noble, of England, for a ten-round bout at Detroit, October 31.

VICTORIA COLLEGE WINS INITIAL GAME

SWAMPS HIGH SCHOOL SQUAD BY TWELVE TO THREE

College Players Show Superiority Over Opponents by Good Playing—Tremendous Ground

The Victoria College won their first rugby game of the season against the Swamps High School by a score of twelve to three. The accuracy and speed that the back divisions of both teams have been showing up to the present time was more than offset by the weather. The ground, the High School's own campus, was terribly slippery, and the result was that the three-quarters had a bad time getting away with the ball. It was a game for the forwards, but as both teams were playing thirteen men on account of the size of the grounds, there were only seven forwards on the College lineup and six for the High School.

With the whistle the College began its attack. Pushing well up to the High School's line they obtained a line out for a throw in, and the College forwards, following the ball, pressed the opposing line back, while John Shaw went over for the first score.

The High School opened a retaliating offensive and scored after about five minutes of play, in the person of Happy Champion. Champion's game was a solid one from start to finish. The High School had pressed hard up to this juncture, and, when taking an opposing scrum, succeeded in putting Macdonald, who, in fact, the out of business for the rest of the game. Thus weakened the College settled down in earnest.

Dunc McLennan Does Well
Wilbur McDonald arrived late for the game, and an immediate difference was noticeable. Currie went over for the College, and the High School only gained ground through the remarkable kicking of their captain, Dunc McLennan. McLennan made several good attempts to break the line, but even his weight was not sufficient. Forbes, Maclean, Lewis, Christie, Scott-Moncrieff, in fact, the whole of the College back and forward division played wonderfully well. The High School were well represented by McIntyre, Champion, McLennan, Owen, Olson and others.

After the whistle for the second half had signalled the High School to make another attack, the game became almost ferocious. There was hard tackling everywhere. The High School probably started several of the heavy loose scrummers in the field, where more than one of the College men obtained a cheap limp or a bleeding nose. But the College men were not the only ones to be ruffled. Twice did the High School fullback lie on his back and rasp towards the heavens. And after fifteen minutes of this McGregor, of the College, scored again.

Lost Winning Spirit
That was about all, as far as the hopes of the High School were concerned. They worked hard to the finish, but only in about three-quarters of the team was the spirit seen that would either win or "bust." The back division still fought hard, McIntyre especially, but some of the forwards were tired. Towards the latter part of the struggle, in a mix-up on the touch line, John Shaw got the ball and crossed for the last score of the struggle that gave both teams a fair chance to show which was master.

It was a serious mishap that the College should have lost Forbes, one of their best three-quarters, but,

owing to an injury, the latter will continue to play until he is in better condition. Mathews, too, looks as though he would be out for a time with his shoulder. Mathews is the finest three-quarter man on the team. Ernie Cook refereed the contest. The line-ups were as follows: College—Mathews; Forbes; McGregor; McDonald; Hoadley; Maclean

and Scott-Moncrieff; Collison; Shaw (capt); Currie; Hemmingway; Christie; Lewis; Marsh. High School—McDonald; Owen and Parfitt; McLennan; Diespecker; Champion; and McIntyre; Olson; Snider; Muirhead; Palmer; Coulter and Coates.

Phosgene, a poison gas used in the Great War, is turned into perfume by Grand Trunk, 6 to 1.

GALT TERRIERS GAIN BASEBALL PENNANT

GUELPH, Ont., Oct. 26.—The Galt Terriers today won the senior amateur baseball championship of Ontario when they defeated Belleville Grand Trunk, 6 to 1.

Slaughter Sale OF Men's Suits AND Overcoats

Owing to the lateness of the season we have become overstocked, and have decided to clear out our entire stock at tremendous reductions. We are offering the public greater values than we have ever offered before. Everything must go regardless of cost. Our loss will be your gain. If you intend buying, you will surely miss it if you do not attend this great sale.

SHAME

A tale reaching into the frozen North, with an astonishing climax.

At the Playhouses

PLAYHOUSE The screaming farce theatre "What Happened to Jones" is adding to the success of last week by playing to crowded houses for this, the second week. The humor in the escapades of Jones, the hymn book salesman, so ably played by Harry J. Davis, is such that the audience is kept in a continual state of laughter, and when the escaped lunatic, who thinks he is an Indian, comes in through the window, and mistaking the Bishop of Hallat for another Indian, makes him do a war dance, the hilarity develops into a perfect riot. This clever company has staged some very humorous shows, but none more laughable than the present one. While a great many people have seen this show, it is one that never grows old and always provides a splendid evening's entertainment. "What Happened to Jones" will continue for the rest of the week, with a matinee on Saturday. Reserved seats are now on sale, and are in good demand, so that those wishing to attend should reserve their seats well in advance.

COLUMBIA Dustin Farnum, a gentleman in the man of the screen, scored another triumph last night at the Columbia Theatre, where he opened an engagement in "Strange Idols," a picture produced by William Fox. The play plainly gripped the audience from the start to the final fade-out, and the scenic beauty added much to its enjoyment. Mr. Farnum appears as a stalwart son of the wild—a wealthy lumberman who becomes fascinated with a beautiful court dancer in New York's white light district and secretly weds her. Life at the lumber camp soon falls upon the Broadway favorite, despite a fine home and plenty of servants at command. The lure of the old life at length proves too strong for her. The husband accompanies her back to New York—but business will not permit him to remain, and she cannot summon courage enough to return with him to the primitive surroundings of the lumber camp. It is at this point, following the advent of a baby, that the dramatic action becomes tense. The situations call for the utmost of Dustin Farnum's emotional ability—and he meets the demand with splendid artistry.

DOMINION What would a reign of terror do to America? A suggestion for by answer to this question is furnished in the new Paramount picture, "The Face in the Fog," which will be shown at the Dominion Theatre today and Saturday. Jack Boyle, the author, has written a story depicting some of Russia's most reckless vandals as they would act in this country. The international situation in the flight of the Grand Duchess Tatiana from the court of the czars. She is followed to this country by a gang of Communists under the leadership of Petrus the Cruel. They hound her, corner her, attempt to slay and rob her. It is only through the assistance of a former American crook that the Grand Duchess saves herself from torture. The part of the Grand Duchess is played by Seena Owen, one of the best-known leading women of the screen. Lionel Barrymore is seen as Boston Blackie Dawson, an American reformed crook, who hovers the plots of the Russian immigrants and turns them over to the police. Lowell Sherman, a popular player, also is featured.

ROYAL Norma Talmadge, of VICTORIA, great beauty and many talents, again registers her histrionic versatility, this time as one of the most alluring and lovable of coquettes, in her portrayal of the Duchess of Langeais in the big spectacular production of "The Eternal Flame," now playing at the Royal Victoria Theatre. The story, by Balzac, is laid during the reign of Louis XVIII in the Second Restoration Period. With the passing of a season the court grows more curious as to why the Duchess has become a bitterly cynical coquette, conferring her favors equally among her admirers, accepting the homage of all Paris, yet giving nothing in return. It was a period of extravagant frivolities, magnificent liaisons, yet her life was without reproach. Then General Armand de Montriveau, an intimate of Napoleon, became the fashion in Paris by the strict law of contraries. A man of battle and grim realities, utterly unversed in the ways of women and love, he was an outstanding figure among the brainless coxcombs of the court, and therefore the mark of the patrician coquettes' wiles. With the arrival of de Montriveau, the Duchess contrives a conquest which changes the course of her whole life and results in a romance as splendid as that of the Immortal Beauties.

ALL ADVISED TO SEE GRIFFITH'S GREAT PICTURE NEXT WEEK

The local engagement of D. W. Griffith's wonder spectacle, "Way Down East," which comes in the Capitol Theatre for a stay of one week beginning October 30, is expected to be one of the greatest successes this city has ever seen. It may seem a little unusual that this paper knows enough in advance about "Way Down East" to advise that you all, lovers of the best in motion pictures, see this production at the earliest opportunity, because a record of "Way Down East" in every city where it has played is that it has done "turn-away" box office business. From all reliable sources of information it is manifest that Griffith has outdone himself in "Way Down East." He has taken a simple story of a phase of New England life that is all but too swiftly passing from

view and employed its plain people with their quaint characters and their rugged sense of the honest and the human, and unfolded a series of adventures and restraints which illumine the ever-troubled path of love. As Mr. Griffith himself likes to put it, "Way Down East" is a tale of love and lovers in a frame of such exquisite charm and pastoral beauty the most capacious of critics have said it is the most worthy to hang in the best art galleries of the world. Rising up from its charm and its humor in colorful contrasts it rushes to its climax in the powerful ice jam and the breaking up of the flood on the river, which combines every element of stirring drama and becomes at once the most astounding and remarkable scene ever seen within a playhouse in all times.

COMPLETE BROADWAY SHOW STAGED FOR SENNETT FEATURE

"Ready? Overture."

Anyone who has ever enjoyed the sensations of a first-nighter on Broadway will appreciate the opening performance of a musical comedy show in Mack Sennett's "The Crossroads of New York," which will be the six-reel feature picture at the Royal Victoria Theatre next week. The comedy king, making his second venture into straight comedy-drama, has supplied a full cast for a musical show. Principals and chorus alike go through their paces with all the verisimilitude of a Broadway cast.

The trouble is that the musical queen of the picture has more friends than talent. The show is being produced by an "angel," and the queen's knowledge of the histrionic art has been a secondary consideration, so that when she is ready to take her cue the show is ready to flop. Her opening number is anything but encouraging and the audience is chilly in its reception. To make matters worse, there is one woman among the spectators who laughs out loud.

BIG FOX SPECIAL "SHAME" WILL BE AT COLUMBIA MONDAY

"Shame" is one of the most terrible words in the English language. Even in childhood, before we learn its exact meaning (for it has several), the sound of it, shouted or whispered in scorn or accusation, can take all the joy out of life.

Imagine a man, a favorite of fortune, possessed of wealth, a position of influence and power, and a beloved wife and child, suddenly borne down by a crushing sense of shame. That is what happens in the William Fox special production entitled "Shame," which opens a run at the Columbia Theatre next week.

Webster's Dictionary gives the following definitions of shame:

1. A painful feeling of degradation excited by consciousness of guilt or of anything degrading, unworthy or immodest.
2. The restraining sense of pride, decency, or natural modesty.
3. That which brings reproach; a disgrace.
4. A state of ignominy.

In each and every sense David Fiedling, laboring under a strange and terrible delusion, suffers shame until, far in the interior of Alaska, he finds the solution of the mystery which has driven him to desperation.

HALLOWE'EN NOVELTY GIVEN CHILDREN AT COLUMBIA MATINEE

Hallowe'en novelties given free to every child attending Saturday's special matinee for children at the Columbia Theatre. There will also be a special comedy, features and other attractions, including the adventures of "Bill and Bob."

THINKS GOVERNMENT CONTROL EXCELLENT

Director of Mariell & Company and Louis Roederer Speaks Well of B.C. System

Government control, when properly enforced and with a certain amount of elasticity, as in British Columbia, is excellent, in the opinion of Capt. E. Villiers, D.B.C., of the well-known firm of Mariell & Co., of Cognac, and Louis Roederer, of Rheims, who is in the city on a tour of the world. While in Canada Capt. Villiers has been studying the liquor regulations in the various provinces. The vintages of France are fine this season, Capt. Villiers informs The Colonist, and the quality of the product is once more up to pre-war standard.

Relief Workers Missing

SIMSBURG, Russia, Oct. 25.—Soviet soldiers have joined in the search for Philip J. Shield, the American relief worker, missing from his quarters here for ten days. The Government authorities are seeking to interest the populace in the hunt.

Elected Honorary Presidents

HONOLULU, Oct. 24.—The President of China and the Premier of New Zealand were elected honorary presidents of the Pan-Pacific Union at its dinner here last night. The Pan-Pacific Commercial Congress is in session here.

REGISTRATION ENDS TUESDAY

Public Urged Not to Duplicate Last-Minute Rush of Last Year at City Hall—Total Is Ahead of Last Year

Registration will end at five o'clock on Tuesday afternoon. Promptly at that hour the civic voters' list will be closed, and should there be a line of people in the City Hall at that time they will have to go voteless for the law is inexorable in this matter. Last year the last-minute rush resulted in some citizens failing to take the necessary declarations in time, and this year the City Hall officials are hoping that the public will take precautions against such an unnecessary state of affairs by registering as soon as possible.

Yesterday 122 registrations were received at the City Hall. A little less than 1,000 more are required to bring this year's total up to that of 1921.

The City Hall is not only open in the daytime from 9 a.m. to 6 p.m., but registrations are also being taken there in the evenings from 7 to 9 o'clock.

There is a belief in some quarters that those who pay the two-dollar road tax have their names placed on the voters' list automatically. This is not so, the taking of a declaration being necessary except in the case of those people who registered last year, when the payment of the tax is sufficient to keep their names upon the list.

LOW RATE FOR GAS FUEL IN VICTORIA

New Price Will Enable Household to Buy at Price Almost Equal To That of Most Fuel

Victoria will soon be buying fuel gas at 75 cents a thousand cubic feet, one of the lowest rates effective anywhere in Canada, according to announcement made yesterday by the Victoria Gas Company.

The reduction in rates applies to gas sold for heating houses, stores, schools, churches and other buildings. The completion of the new gas plant at Rock Bay has made it possible for the company to revise its charges. Tests disclose that the new plant will have a manufacturing capacity considerably in excess of the old one.

Company experts estimate that the new rate will enable householders to use gas fuel at about the same cost as solid fuel.

"Modern gas heating appliances are extremely efficient," an official of the Victoria Gas Company said. "We now have a representative display of the latest types of radiators, radiators, house heating systems and portable heaters at our showrooms, which will, no doubt, be of interest to contractors and architects as well as to the general public."

MANSLAUGHTER CHARGE FAILS

NANAIMO, Oct. 26.—In the city police court this morning, William Horton appeared before Magistrate Beavor-Potts on preliminary hearing for manslaughter in connection with the recent automobile fatality. He was defended by Mr. Bourne, of Vancouver, assisted by Mr. Lionel Beavor-Potts, of this city. The evidence given was practically the same as at the inquest, and the court held that as there was no evidence to show that there was negligence on the part of Mr. Horton prior to the collision, the case was dismissed.

A post-mortem was held yesterday on the body of the late P. Newburg, who was found dead aboard his sloop Wednesday morning in Nanaimo Harbor. The result of the examination by Dr. McPhee showed that death was due to natural causes.

While engaged in a game of football at the High School the other day, James Inglis, son of Mr. and Mrs. Wm. Inglis, Kennedy Street, sustained a compound fracture to one of his legs. The bone was not broken clean through, however. He was taken to the Nanaimo Hospital for treatment, and is progressing satisfactorily.

PITLAMP PUNISHED

NANAIMO, Oct. 26.—In the County Court yesterday, before Judge Barker, the appeal of Mr. A. Lynn against the decision of the magistrate in the case of "pillamping" deer, was heard. His Honor sustained the decision of the magistrate, and Lynn was taken to New Westminster this morning to serve his sentence.

DEATH WAS ACCIDENTAL

NANAIMO, Oct. 26.—An inquest was held yesterday afternoon into the death of John Bradley, who was killed in the Granby Mine, Cassidy, on Monday last. A number of witnesses were examined, after which the jury returned the following verdict: "We, your jury empaneled to inquire into the death of John Bradley, find that he came to his death by being caught with an empty trip in No. 2 level of the Granby Consolidated Mining & Smelting Co., Ltd., at Cassidy, at about eight o'clock p.m. Monday, October 23, 1922. Death was accidental, and no blame attaches to anyone connected to the evidence given." The jury was composed of Messrs. J. H. Nicholson (foreman), S. Wall, M. Wilkinson, J. Forte, Wm. Nash and J. Gerard.

The funeral of Mr. Bradley took place from the D. J. Jenkins Undertaking Parlors this afternoon. Rev. Mr. J. H. Nicholson officiated. Members of the Ladiesmith Moose Lodge, of which deceased was a member, attended the funeral in a body.

SILVER TEA AT COLWOOD

COLWOOD, Oct. 26.—Despite the bad weather a number of ladies attended the silver tea given this afternoon by Miss James, of Colwood. A victoria, kindly loaned by Mr. A. R. Burgess, under the able management of Miss Shirley, delighted all present. In a cosy room upstairs Mrs. Parker-Smith, of Victoria, kindly read poems, and was kept extremely busy. A delicious tea was served by Miss James, assisted by Messrs. Pearson, Parker and Robinson. It is hoped that the Vicarage Fund will be greatly augmented by this kind effort. Captain James, Rev. H. Pearson and Mr. R. H. Kirkwood were also present. The beautifully dressed doll kindly given by Mrs. McLean and exhibited at the W. A. J. was drawn for, and Mrs. J. Goodall became the lucky possessor. All the W. A. J. members now are busily engaged on suitable Christmas gifts, which will be the chief feature at the sale of work on December 12.

SUNDAY SERVICES

LANGFORD, Oct. 26.—The many new dwellers in the district will be glad to know that divine service is held on the first and third Sundays at 3 p.m., by kindness of Mr. and Mrs. H. H. H. in Langford Hall, pending the building of a new church.

church. Rev. H. Pearson conducts the service.

Langford Lake is not so deserted this winter as in former years. Constable Irvine, with his wife and family, have lately moved there from Luxton.

Mrs. Pete Johnson is another new comer to the district.

METHOSIN

METHOSIN, Oct. 26.—The Equimait Rural Nursing Service announces that the public health and school nurse is now resident at Methosin. Only emergency calls will be attended after 6 p.m.

A public meeting will be held under the auspices of the Methosin Farmers' Institute at Luxton Hall, at 8:30 p.m. on Tuesday, October 31, to consider recommendations with regard to the running of the new gas car on the C.N.R. through this district.

SIDNEY NOTES

SIDNEY, Oct. 26.—Mr. Maurice Smith, of Somenos, visited his cousins, Mr. and Mrs. J. T. Taylor, Fifth Street, last Saturday, staying for the weekend. Mrs. Taylor's little girl, Winifred, who was in the Jubilee Hospital, has returned home and is now convalescing.

Mr. and Mrs. J. H. Collins and Miss Florence Collins visited the home of Mr. R. Douglas, East Saanich Road, for the weekend.

HORNET RUGGERS WILL PLAY ON SATURDAY

NANAIMO, Oct. 26.—After an interlude of several years a Nanaimo rugger team will take the field on Saturday in a match against a Cowichan fifteen at Duncan.

The game on Saturday is in the nature of a trial match. A team has been selected from such material as has shown up in the practices, and it is expected that they will give a good account of themselves. The players are requested to meet at the Totem Pole at 12:45 p.m. sharp on Saturday afternoon, where cars will be provided to take them to Duncan.

The following are the players selected to represent Nanaimo in Saturday's game: Fullback, Culligan; three-quarters, Potts, Hines, Plant, McKenzie and Hale; halves, Grant, Aitken and Caruthers; forwards, Todd, Dykes, Kirkwood, Quennell, Brough, Kharston, Edmunds and Dobson.

Manager, Dan Kirkbride.

RALPH GREENLEAF WINS FIRST MATCH

PHILADELPHIA, Oct. 26.—Ralph Greenleaf, of New York, national pocket billiard champion, tonight won the first block of the 450-point championship match with Benny Allen, of Kansas City, former champion. The score was Greenleaf, 153; Allen, 90. They will play the second block tomorrow night.

NANAIMO FOOTBALL

NANAIMO, Oct. 26.—The Dubb Football League schedule opened yesterday afternoon, when the first game was played between the Bankers and the Davenport. The score, after twenty minutes overtime, was 1-1. The teams lined up as follows: Bankers—Goal, Thomson; backs, Little and Wardell; halves, Stevenson, Husband and Mawhinney; forwards, Robinson, Rowbottom, Tidall, Johnson and Griffiths. Davenport—Goal, Sparks; backs, Edmunds and Vawden; halves, Japay, Neave and Berry; forwards, Cooper, Bertram, Ziegler, Kaye, Glasco.

GOLF COMPETITION

NANAIMO, Oct. 26.—Commencing on Saturday next a men's golf competition will be played. All members are requested to enter if possible. Cards and flags must be obtained from the professional. Entrance fee fifty cents. As the following week is Thanksgiving, the first prize will be a turkey, the second a goose, and the trophy prize a duck.

The water in dough changes to steam when the inside temperature reaches the boiling point.

STARMASTER TO ENTER CONTEST

Star American Horse Will Again Race This Winter at Tia Juana—Coffroth Handicaps Will Be Run in March

NEW YORK, Oct. 26.—Starmaster, for several years the best horse that sported the silks of A. Kingsley Macomber, of California, is to come back to racing at Tia Juana this coming winter, according to a statement James W. Coffroth, the director of the Tia Juana racing, made at Yonkers today. The son of Star Shoot and the Lady in Blue is to bear the silks of George Wingfield, of Reno, and will be pointed specifically for renewal of the \$10,000 Coffroth Handicap, an all-op of one mile and a quarter, and the \$6,000 Tia Juana Cup, a gallop of two miles. The Coffroth Handicap will be the richest of American races for horses three years old and over. The Coffroth and the cup will be run next March.

For three or four seasons Starmaster was a handicap horse of the first class. Trained first by Walter Jennings and afterwards by Lewis Garth, he raced with distinction against such splendid performers as Evermaster, Billy Kelly, Audacious, Cudgel, Purchase, Eternal, etc. Trained for speed, he had the foot of the fastest sprinter and he carried on indefinitely. Mr. Wingfield bought Starmaster for stud purposes when Mr. Macomber disposed of his American racing holdings at the Nevada Stock Farms Stud, near Reno, the home of Atheling, the American leader this season, as a sire of two-year-old winners. Mr. Wingfield has decided to have him trained again because it is clear that he is as sound as a horse could be and will stand.

George W. Berry, a veteran Western handler of horses who has trained for Mr. Wingfield, Adolph Spreckels, and other sportsmen of the Far West, will take Starmaster to Tia Juana along with half a dozen or more two-year-olds of the Nevada stud. Mr. Wingfield's breeding enterprise got a big boost in the West last Spring when Maichirino, a fast son of Atheling, won the \$5,000 Tia Juana Futurity. The Tia Juana Futurity will be renewed this coming Spring as a \$4,000 added money race. The Coffroth Handicap and the Tia Juana Cup, by the way, are added money affairs.

Other Horses

Other horses of demonstrated class the prospective renewal of the Coffroth Handicap will attract to San Diego are Frank Baine, George, Edward G. Roulet, Silvercrown, the Triple Crown winner, and A. G. Blakeley's Conquistador, Colonel Maxwell Howard's Frigate, L. T. Bauer's Tipitilly Witchet and George Konigswald's Comic Song.

Since he became the property of Frank Baine and has had Albert Gordon for trainer, has become the consistent horse he used to be when Max Hirsch was handling him for the Redstone stable. In the last habit of consistency when he entered the Foreign stable last Fall to be trained by Sandy McNaughton. This stout chestnut, who is the son of Star Shoot, has recently won four straight on the metropolitan circuit and is still going strong. George figures to race on over any distance. His daddy, Star Shoot, is the daddy of Sir Barton, Starmaster and Grey Lag, and his mother, Fair Atalanta, a daughter of Knight of the Thistle, was, also, the mother of Honorable Bondage, a son of Ogdan, was for three or four seasons one of the smartest runners of Canadian and Maryland racing. George and Honorable have a smart two-year-old sister racing in the East in Thessaly.

Stilvercrown, a New York bred son of The Curragh and Hanovera, was bought by Mr. Jock last Spring from John Sanford, of Amsterdam, the old producer of thoroughbreds in the Empire State. He is fast and night go on, although he has been sprained this season. Mr. Stilvercrown, a California, raced Paddy Whack, Regal Lodge and Polytha on the coast last season and the season before. Polytha will return to Tia Juana with Stilvercrown.

Contigan is a son of Colin, the unbeaten hero of fifteen victories and the earner in stakes and purses of \$18,000. A son of Colin, he is fast developing distance running ability. Contigan is very useful for winter racing because of his amphibious qualities. He is well known in Pacific Coast racing. In the old days of Oakland and Santa Anita he made California his winter headquarters. Tipitilly Witchet is one of the most widely popular horses that has appeared in the East in the last ten years. He is a son of Broomstick and of iron quality. He won his first race at Bowie in April, 1917, and has been improving ever since. Harry Payne Whitney bred Tipitilly Witchet at Brookdale Farm in New Jersey.

Comic Song is a son of Black Jeater, he is a son of the celebrated English horse, Polymelus, Joseph E. Widener imported several seasons back. He raced through last winter at New Orleans and was one of the cleverest three-year-olds developed at the Fair Grounds. At different times last summer he discovered first-class form on Eastern courses. Comic Song looks like a horse that would go on all day, and he is in the hands of a trainer of experience and skill, Thomas Shannon, no less. Shannon demonstrated his ability five or six years ago by developing George Smith, a son of Out of Reach, which won the Kentucky Derby renewal of 1916, and the Bowls Cup renewal of 1918.

Frigate, a son of Frizzle and Kankania, is owned by a white paper manufacturer of Columbus, Ohio, who has long been a supporter of racing. Colonel Howard is a warm friend of President Harding. He entered racing as an owner last Fall with Frigate and St. Allan. Frigate last Summer was one of the most brilliant milers running, and party winners of Eastern racing, and St. Allan was a trainer, says the horse that beats him over a distance of ground at Tia Juana will win the Coffroth Handicap renewal. St. Allan will travel West with Frigate.

A peace plan 300 feet long and signed by 19,920 Japanese women was received at Washington recently.

MUNROE MAY PLAY WITH ST. PATRICKS

TORONTO, Oct. 26.—Duncan Munroe, one of the stars of the Parkdale team in the O.R.F.U., and one of the outstanding halfbacks in Canadian rugby, may be playing his last season in football. It is said that he may sign up with St. Patrick's in the National Hockey League.

Commenting on the situation in the N.H.L., The Mail and Empire says: "Charlie Querrie, of the St. Pats, lets it be known that Dandurand is not going to slip Lalonde out of the National Hockey League without the other clubs being given a chance to secure his services. St. Pats and Hamilton are both after Lalonde, while Ottawa is very anxious to secure Joliat. Joliat was suspended by the Northern Ontario Hockey Association a year ago last Spring, and efforts are being made to air him reinstated, and he will not be allowed to play in the National Hockey League until that is brought about. The national meeting of the National Hockey League, which will be held in Montreal on November 4, promises to develop into a regular pitched battle, St. Pats having signed every man of last year's team, however."

PARTY POLICIES BEFORE CAUCUS

Continued from Page 1

tion of some of the service. When the Government's plan are completed in this regard it will be found, it is stated by those who profess to know, that Lieut.-Col. Ross will be head of the Civil Service administration.

Pre-session ideas As is usual prior to the opening of a session, there is talk of drastically curtailing the debate on the Address in reply to the Speech from the Throne. Such a plan might be possible were the Government's Legislative programme ready, but it is not, though some considerable amount thereof is so far whipped into shape as to permit of its early introduction. But the debate on the speech in reply is the main vehicle for members to discuss needs of their respective districts and air their views and criticisms of the Government, and it can be taken for granted that the Independent and Conservative members will strongly object to anything that savors of "strong-arm" methods to curtail their right to participate in the debate.

In the recent Cabinet change by which the portfolio of railways was handed over by the Premier to Hon. J. D. Maclean, who is already allied with the duties of Minister of Education and Provincial Secretary, as well as head of the health branch of the Government, some political forecasters see the likelihood of further changes by which Hon. Dr. Maclean may be relieved of some of his multifarious duties.

The recent reported statement by Hon. John Hart at Vancouver that perhaps Vancouver may shortly be treated to two by-elections is taken to mean that at least the demands of Mrs. Mary Ellen Smith for Cabinet rank with remuneration will be met, that a bill to amend the Constitution Act to permit of another paid portfolio will be forthcoming at this session, and that Mrs. Smith will achieve her ambition, which she had claimed was promised her, and be made a minister at the head of a department which will include health matters and such other activities as can come under the general description of social service.

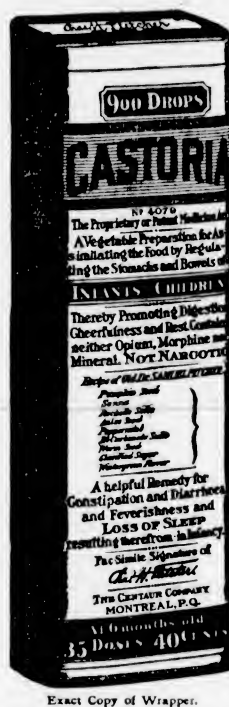

Mrs. Smith's Demand It will be remembered that at the last session of the Legislature Mrs. Smith held out for the fulfillment of the promise of cabinet rank. She had been given a cabinet seat without remuneration, but she had not that, and after giving the Government a month in which to bring down a bill to provide for a paid cabinet position, and none such appearing, she forthwith resigned her unremunerated cabinet office. Since then her friends have been demanding that the long-delayed recognition of her services be forthcoming at the present session. Should she be given cabinet rank as she desires it would mean that besides the by-election which must be held in Vancouver in respect of the vacancy caused by the resignation of Mr. M. A. MacDonald, to unsuccessfully contest a Vancouver Federal seat at the last Dominion election, there would also have to be a contest owing to the new minister having to go back to the electors. The political situation in Vancouver at present is decidedly mixed, and it is expected that the Government would have a hard fight even were the University bait held out again. But with Mrs. Smith also in the picture, her friends have figured out that her strength would

When Baby Complains.

THERE ARE MANY WAYS a baby has of expressing any pain or irregularity or digression from its normal condition of health and happiness. A short sharp cry, a prolonged irritated cry. Restlessness, a constant turning of the head or of the whole body, fretful. In these and other ways a baby tells you there is something wrong. Most mothers know that a disordered stomach, or bowels that do not act naturally are the cause of most of baby's sufferings. A call for the doctor is the first thought, but in the event of any delay there should be ready at hand a safe remedy such as Fletcher's Castoria.

Castoria has been used for baby's ailments for over 30 years and has merited the good will of the family physician in a measure not equaled by any other baby's medicine because of its harmlessness and the good results achieved.

And remember this: Castoria is essentially a baby's remedy and not a cure-all for every member of the family. What might help you is too often dangerous when given to a babe.

Children Cry For Fletcher's

CASTORIA

Let's Think It Over.

There is such a thing as saying too much on any subject, and the "grand-stand" talker sooner or later becomes a bore. The truth is always welcomed, and the truth reiterated and confirmed is more than welcome—it reaches your innermost soul.

Fletcher's Castoria is all its advertising has claimed for it. Scrutinized by the microscope of public opinion and used for over thirty years it stands without a peer in the hearts of thoughtful, cautious, discerning Mothers. And once used, mother love—there is no substitute for mother love—will scorn to try a "substitute" or a "just-as-good".

Masquerading under many names drugs that are injurious to the tender babe have found their way into some households, but the light of experience soon casts them out. Are they cast out before it is too late?

MOTHERS SHOULD READ THE BOOKLET THAT IS AROUND EVERY BOTTLE OF FLETCHER'S CASTORIA

GENUINE CASTORIA ALWAYS

Bears the Signature of

Chas. H. Fletcher

THE CENTAUR COMPANY, NEW YORK CITY.

succeed in pulling support for the other candidate and thus land both seats within the Government column.

MARINE DIESEL ENGINE

The Diesel oil engine, as the most economical consumer of liquid fuel, makes a most compelling appeal, requiring only from one-third to one-fifth the quantity of fuel used by equally powered steamers. The higher power of the steam engine is less favorable the case for the Diesel machinery on the score of fuel economy, but the fractions given will be found to be accurate when comparison is limited to equal powers.

There is also a fascination in the thought that instead of there being any transformation of energy as with steam plant, the heat contents of the fuel are utilized by combustion actually within the engine itself, heating the air of the Diesel cycle, which on expanding directly produces energy at the propeller. Such simple thermodynamic change results in three times the thermal efficiency of the steam cycle and direct application of the process of combustion prevails.

The present position of the Diesel engine is gradually but surely strengthening. There are now available more types of marine propelling plant of all kinds, and particularly of Diesel engines, than ever previously. Hitherto a reasonably full measure of success has been limited to those types of internal combustion machinery where conservation in design and construction has been the keynote, but today newer developments in a bolder scale in internal combustion are gradually proving themselves.

The Diesel engine recently has been thrown further into very strong relief by the troubles which have been experienced with double-reduction gear-

Newbro's Herpicide Brings Out The Life and Beauty of Your Hair

For bringing out the natural beauty and luster of your hair and restoring your scalp to a healthy condition, nothing will equal Herpicide. If your hair is not healthy, soft and lustrous it means that the natural sheen is hidden. Herpicide will bring out the natural sheen and make your hair fairly gleam with life and beauty. The days of your faded-out looking hair will have passed and your appearance will be improved that it will be a surprise to you and a revelation to your friends.

Newbro's Herpicide

Removes Dandruff - Stops Falling Hair

Herpicide will not only remove hair dandruff, but it quickly removes all your unsightly dandruff, stops your itching, scalp and prevents your hair from falling out. Your scalp will soon be healthy - a healthy scalp is the only true hair grower.

Herpicide has a most dainty and exquisite odor. Many ladies use it as a perfume. Herpicide is guaranteed to do all that is claimed for it or your dealer will refund purchase price. Buy a bottle today and have beautiful, lustrous hair.

Sold By All Drug and Dept. Stores Applications At Barber Shops

performed with double-reduction gearing. The maximum powers for which the Diesel engine can definitely be stated to be suitable are gradually increasing, and today 300 h.p. per cylinder, with 16 cylinders, i.e., two engines each of eight cylinders, a total of 4,800 h.p., or the equivalent of 5,600 steam indicated horse power total, is the standard for the larger class of motor vessel. This range of power covers 34 per cent in numbers and 88 per cent in tonnage of ships under construction at the present time, and whilst making all allowances for

the fact that the average today may give a smaller ship than normal, due to the limited number of large liners under construction, yet it is seen that the field already covered as regards power is very considerable.—Mr. James Richardson in Engineering.

Strike Called Off CHALLIS, W. Va., Oct. 24.—The strike in the Williamson bituminous coal field, effective since July 1, 1920, was called off tonight by the United Mine Workers.

Y.M.C.A. HEAD OF BOYS' WORK HERE

Mr. Lou Buckley Delivering a Number of Addresses in City—Discusses Activities

Mr. Lou Buckley, Y.M.C.A. national boys' work secretary, arrived here yesterday. At noon he addressed a luncheon gathering of the Y.M.C.A. boys' work committee, and in the evening a meeting of High School boys. This morning the visiting speaker will speak to the High School students on "The High School Spirit," while at 1:45 p.m. he will speak to a gathering of the students at the Normal School on "The Opportunities of Leadership." This evening his address on "What 'Y' Boys Are Doing the World Over," will be the feature of the opening decoration banquet being held by the Junior school section.

Speaking of Y.M.C.A. boys' work in Canada, Mr. Buckley yesterday stated to The Colonist that the boy membership had increased by almost a third this year already. The boys' work department of the local Y.M.C.A. stood high in the Dominion, ranking as the second largest west of Toronto.

The development of the junior and senior employed boys' brotherhoods, newboys' clubs and Hi-Y clubs were features of boys' work within the association today, said Mr. Buckley.

It would no longer be necessary for men training for Y.M.C.A. secretariats to go to the United States for the desired college course, the boys' work secretary announced, for Mr. C. W. Bishop, former national secretary, had rejoined the national

council as head of the department of secretarial training, and McGill and Toronto Universities were providing the desired training for Y. M. C. A. workers.

Touching on the physical side of the boys' work, Mr. Buckley pointed out that the Y.M.C.A. used the game to build the man rather than the man to build the game. The aim was to have as many participants in games as possible and to maintain a high general average of physical efficiency rather than to develop a comparatively few stars.

ESQUIMALT METHODIST CHURCH

On Tuesday a very interesting and entertaining concert was given in the Esquimalt Methodist Church by the St. Andrew's Presbyterian Church friends under the leadership of Mr. Jesse Longfield. On account of the inclemency of the weather, the audience was smaller than usual, but those present showed their appreciation by hearty applause after every item. Several of the vocal artists responded by giving a second song. The orchestra did so magnificently that all who heard it will long remember the selections.

The programme was as follows: Selection, orchestra; song, Mrs. Hawkey; selection, orchestra; song, Mr. Durrant; selection, orchestra; song, Miss Beth Simpson; selection, orchestra; song, Mr. Kenneth Angus; selection, orchestra; song, Miss McVillier; Toy symphony by toy band and orchestra.

The choir was taken by the pastor of the church. The concert closed with the singing of "God Save the King." The officials of the church wish to thank all who assisted in making such a pleasant evening possible.

PORTIA SOCIETY ACTIVE

High School Girls Away to Good Start With Lecture Meetings

The Portia Debating Society of the High School is beginning the year well, having already since the beginning of September held three meetings. At the last of these the speaker was Dorothy Pendray, who gave a talk on the West Indies, illustrating her matter with pictures, and Betty Mabery, who spoke on "Missions of California." Both speakers were very heartily applauded and congratulated by the members of the organization.

The previous meeting was addressed by Mr. Best, who gave an illustrated talk on British Columbia, and there were musical items by Dorothy Dean, pianist; and Margaret Gibson and Doris Ford, who gave a duet. The first meeting of the year was for the purpose of electing the new executive: Honorary presidents, Miss Shields and Miss McNaughton; president, Frances Bennett; vice-president, Agnes Maclean; secretary-treasurer, Laurine Gibson; Camosun reporter, Nan Forbes; matron representative, Margaret Gibson; Junior representative, Peggy Humble; legislative representative, Marjorie Raymond. The object of the organization is the training of the girl students in debating and public speaking.

An electrically wound clock for use in airplanes has recently been invented.

MUNICIPAL CHAPTER PLANS BRIDGE-TEA

Large Affair to Take Place on November 8 at Residence of Miss H. J. The Uplands

Plans for the bridge-tea to take place on November 8, at the home of Miss H. J. The Uplands, were made yesterday afternoon at the meeting of Municipal Chapter, I.O.D.E. Mrs. Sampson presided at the meeting, which was held in the Jones Building. It was announced that accommodation for between twenty and twenty-five tables of bridge would be arranged for the bridge party, and those wishing to make reservations are requested to notify Mrs. Miller, telephone No. 355. Guests will also be welcomed at the tea hour, and Mrs. Miles and Mrs. Hopkins will convene this part of the affair.

Mrs. O. L. Boynton, Provincial educational secretary, who is spending a few days in Victoria, addressed the members briefly yesterday. Mrs. Boynton spoke of the pictures which are to be presented to various schools. These pictures, which are of historical interest, the majority having reference to the Great War, form part of the war memorial scheme of the I.O.D.E. One thousand sets of eighteen pictures have been received in Canada for distribution, and sixty sets will be given to schools in this province. Mrs. Boynton also spoke of other features of the war memorial scheme, the overseas scholarship, provincial bursaries to enable students to attend provincial universities. At the present time British Columbia is in receipt of six of these bursaries. Five students are now attending the University of British Columbia and one is enrolled at Victoria College. The speaker urged the members to raise their full quota to this most laudable undertaking.

A standing vote of sympathy was passed to Miss Agnew in her recent bereavement.

Mrs. Hasell, organizing secretary, announced that she has undertaken the formation of a new children's chapter, the members being pupils of Monterey Avenue School. Last Tuesday Mrs. Hasell visited the school and officers were elected.

The new constitution of the order has arrived in headquarters, and is obtainable for the members. Mrs. Seabrook Young reported on the maternity committee, and it was announced that the Bishop Criddle Ministering Chapter has presented one full layette to the committee. The date of November 2 was reserved by the Dr. O. M. Jones Chapter, I.O.D.E., also December 8. Mrs. Sampson informed the meeting that the Navy League Provincial headquarters which a year ago was transferred to Vancouver, has returned to the Capital and is established in the Pemberton Building.

Mrs. H. F. Crowe, assisted by Mrs. Hall, Mrs. Hardie and Mrs. J. C. Barnard, will undertake the conveyance of the sale of poppies on Armistice Day at David Spencer, Ltd., and the Hudson's Bay store. The eighteen standards of the order and the standard-bearers will be in attendance at the memorial service to take place in the morning of Armistice Day at the Provincial Parliament Buildings.

READY TO CARRY OUT REORGANIZATION

Mr. E. W. Ismay, Auditor, Back From Prairie Cities—New System to Save Thousands

With Mr. E. W. Ismay, auditor for the city, back from Edmonton and Calgary, where he made an examination of municipal accounting methods, the process of reorganizing the treasury department at the City Hall will be commenced at once, Mayor William Marchant announced yesterday. Mr. Ismay and City Accountant J. M. L. Muirhead, who accompanied him on the trip to the prairies, held a long conference with the Mayor yesterday, and outlined in a general way the nature of the reorganization to be carried out.

The Mayor stated afterwards that the matter of making a definite report to the Council as to the changes to be made would be left to the discretion of Mr. Ismay, whose status as auditor leaves him practically independent of the Mayor and aldermen in the sense that they have no control over his auditing.

It is probable, however, that the Finance Committee will be kept closely in touch with the reorganization as it proceeds, as the undertaking may require further appropriations, although the ultimate result of the proposed changes is expected to be the saving of many thousands of dollars that have in the past been wasted through the use of inefficient and obsolete methods of handling accounts.

The Mayor issued a statement yesterday in which he described the status of Mr. Ismay and the reason for his mission to Edmonton and Calgary.

"The impression seems to have been created that Mr. Ismay is an official of the city, but that is not so. He is acting merely in an advisory capacity and at the request of the City Council, which has long felt the need for reorganizing the methods of accounting in the city hall. The fact that Mr. Muirhead went with Mr. Ismay and that I gave him joint credentials probably accounts for the misunderstanding."

The Mayor defended the praiseworthy mission against the "joy-ride" criticism of the newly-formed Taxpayers' Protective Association, declaring that such trips were of great value to officials of the city, as they were thus given an opportunity of studying the successful methods of other cities and comparing them with their own. "Isolation is a bad thing in any business," said the Mayor.

CELEBRATE ANNIVERSARY

Thirtieth Year of Women's Benefit Association of Macabees Marked

The thirtieth anniversary of the Women's Benefit Association of the Macabees was celebrated Tuesday evening in the K. of C. Hall by a grand banquet given by Victoria Review, No. 1. The tables were tastefully decorated with the colors of the order and a profusion of choice flowers. A large number of members and invited guests sat down to table. After the banquet a programme of songs and songs was enjoyed.

Those invited were: Mrs. Lillian P. Hodgson, Provincial deputy; Mrs. Gairbairn, commander of Queen

Alexandra Review, No. 11; Mrs. Stevens, commander of Royal Review, No. 18; Mrs. Ritchie, collector of Nos. 11 and 18; Mrs. Hall, supervisor of the Girls' Summer Camp Club; Mrs. Harrison, secretary of the W.B.A. Hospital Board; Mrs. Spofford, school trustee; and Mrs. McKilligan, past master of Victoria Review, No. 1. Mrs. Wall, the commander, presided and made a few well selected remarks, followed by short addresses by Mrs. Jacklin, Mrs. MacLeod, Mrs. Garrett, Mrs. Spofford and Mrs. Harrison, all members of Victoria Review, No. 1.

On behalf of the review, Mrs. McKilligan presented a bouquet of flowers to Mrs. Wall, who, in turn, presented a bouquet to Mrs. Garrett. A bouquet was sent to the Provincial deputy, Mrs. Hodgson, who was unable to be present on account of illness. Flowers were also sent to the sick members.

Dancing followed the banquet. The committee who had charge were congratulated on the excellent arrangements.

MAYOR DESPAIRS OF SEEING MR. MANSON

City to Enforce Unemployment Policy Without Assurance From Government to Give Guarantee

After several unsuccessful attempts to obtain a hearing with Attorney-General A. M. Manning, Mayor William Marchant announced yesterday that he had forsaken all hope of carrying on negotiations with the Provincial Government regarding the unemployment situation before the session of the Legislature.

"I saw the Deputy Attorney-General, and he told me it was practically hopeless," said the Mayor. "I doubt whether I shall ever see Mr. Manson now."

The Mayor was instructed by the City Council last Monday night to press upon the Attorney-General the desirability of having the Provincial Government assume responsibility for all unemployed men other than those who could prove to the proper authorities that they had lived in the city for a year or more.

"Failure to see Mr. Manson should not affect the city's policy in the slightest," stated the Mayor. "We will go ahead with the programme, and absolutely refuse to give relief to unemployed men, and the only married men that we will help are those who can show us that they are absolutely destitute and that they have lived here during the last twelve months. People who drift in here from outside looking for work—and there have been quite a number of them lately—will be told to go back whence they came, or, in any case, to keep moving. We don't want them."

INVITE UNITED STATES TO PEACE CONFERENCE

PARIS, Oct. 26.—France, Italy and Great Britain have agreed to invite the United States to participate officially in the Near East peace conference at Lausanne, November 12. The suggestion that the United States be invited came from Lord Curzon, the British Secretary for Foreign Affairs. The invitation will be handed to the State Department in Washington probably tomorrow by the French, British and Italian embassies.

REPORT ON DOMINION CONVENTION IS MADE

Army and Navy Delegates Tell Meeting of Local Unit About the Montreal Gathering

A report on the recent Dominion convention of the organization was given to the meeting of the Army and Navy Veterans last evening by Comrade T. Jones, who arrived back from Montreal yesterday. He was elected to the directorship of British Columbia for the Dominion Command.

It had been found at the convention, said Mr. Jones, that the Dominion secretary of the Army and Navy Veterans had been very prominent in the work of the Dominion Alliance, and a tribute to his efforts was paid.

The feeling at the convention, reported the local delegate, was that the spirit of unity was increasing among the ex-service organizations, and the ultimate result would be amalgamation.

The convention decided to endeavor to have an extension made in the time within which tuberculosis must manifest itself after discharge if the ex-service man affected is to secure Government assistance.

It was decided that the membership of members of the Canadian Royal Mounted Police would be welcomed. Last night's meeting was presided over by Past President S. Rowlinson, supported by First Vice-President T. Jones and Second Vice-President G. Day.

A handsome painting of the late King Edward VII in naval uniform, by Comrade E. J. Pope, secretary of the Vancouver unit, was presented to the Victoria unit last night.

Capt. C. H. Foxwell was elected to fill a vacancy on the executive council.

Attention was drawn to the Armistice Day parade and dance.

The president's action in calling attention to the removal of the coat-of-arms in the Council Chamber at the City Hall was endorsed.

It was decided to arrange for entertaining the officers and men of H. M. S. Capetown, the British cruiser expected here next week.

PLAN ORGANIZATION FOR AGGRESSIVE WORK

First Meeting of New Liberal-Conservative Central Executive Held Thursday Makes Plans for Future

Arrangements for active organization work, and especially the getting all supporters of the party registered, were made at the first meeting of the central executive committee of the Liberal-Conservative Association held last night at the clubrooms, when a very large attendance of members was present.

Following the striking of various committees to which will be allotted the work of improving organization, etc., short speeches were made by Senator R. P. Green and Dr. Simon F. Toimie, both of whom emphasized the need of organization. Major Gus Lyons, president of the association, presided at the meeting.

The first meeting of the Finance Committee of the association will take place on Monday night next at 8 o'clock. Mr. E. B. L. Rogers is chairman of the committee.

PROHIBITIONS DEMAND REPEAL OF LIQUOR ACT

VANCOUVER, Oct. 26.—1. repeal of the Government Liquor Act; 2. enactment and efficient enforcement of a prohibition law; 3. submission of a referendum under the Canada Temperance Act to prevent importation into the Province of liquor for beverage purposes; 4. a Dominion law prohibiting the manufacture, importation and sale of alcoholic liquors.

These clauses constitute the reaffirmation of policy of the British Columbia Prohibition Association endorsed at yesterday's session of the annual convention held in Wesley Methodist Church.

SHOULD BUILD MILL ON HOME INITIATIVE

Mr. John Wood Tells Rotarians That Old Country Woollen Plants Want Markets, Not Sales

"If Victoria wants woollen mills, the best thing for her to do is establish them herself, and not look to the Old Country for the initiative," stated Mr. John Wood, just back from a visit to the British Isles, addressing the Rotary Club yesterday at the Empress Hotel.

The British woollen manufacturers are looking for new markets rather than new sales for additional mills," said Mr. Wood.

Mr. Wood said that at British Columbia House, in London, he found only two officials who had lived in British Columbia. "The man who greeted me was a Londoner," said Mr. Wood. "It seemed to me that it would be well worth while to have British Columbians—men who really know the Province—at British Columbia House. Personal knowledge of the subject is an important factor when it comes to persuading people where they should live, and it becomes all the more important in view of the competition put forward by the other Dominions such as Australia."

Dr. Robert E. Wodehouse, secretary of the Canadian Tuberculosis Association, outlined the aims of his organization. He said that a per capita tax of 70 cents in the cities and 25 cents in the outside districts was being sought as a means of advancing the work, and he declared that important results were being attained. "Tuberculosis is essentially a home disease, and does not spread like epidemic diseases," said Dr. Wodehouse. "Unless the individual cases are isolated and properly treated, however, tuberculosis will soon wipe out the entire household in which it appears."

Dr. Wodehouse said that a special effort was being made to protect children from the "white plague," and he instanced the establishment of a Dominion-wide child survey and of test diagnostic clinics with public nurses throughout the country.

A "Rotary" stunt, representing a new feature in up-to-date barbering, was staged by Rotarians Cyril Penzer, Ernie Down and Bob Webb.

MAINELAND BANK CLEARINGS

The bank clearings for the week ending October 11, 1930, for the Vancouver centre is \$13,016.20; for the New Westminster centre it was \$498.30.

MARKETS WILL PUT SYSTEM OF POOLS

Victoria's current tax rate has business to own property in an improved community. He belongs the woods.

J. A. RHANKS
1283 Fairfield Road, Victoria, B.C.

Canadian Trade Commissioner in Melbourne Reports on Co-operative

OTTAWA, Oct. 26.—Australia will market her 1922-23 wheat crop under a system of voluntary pools organized in each of the four wheat growing states, Victoria, New South Wales, South Australia and West

For six years the Federal Australian

of the selling of the wheat crops in both the overseas and domestic markets; but as a result of agitation it ceased active operations on the completion of selling the 1926-27 wheat crop.

It became apparent, said Mr Ross, in an exposed position on the ground. Soon afterwards he found himself in the midst of a rifle fusillade, several bullets coming too near to be pleasant. It appears that two hunters, seeing the deer in a somewhat exposed position, had no idea that it had already been accounted for.

reasons the outlook for marketing in 1921-22 indicated the necessity for wheat growers co-operating for the realization of the crop for both domestic requirements and export trade. Thus state wheat pools came into operation. They operated in

SEGAR TAKES JUMP

go up another ten cents per hundred pounds at the opening of business tomorrow, according to announcements today by the California-Hawaiian Refinery, the Western Refinery and the Spreckels Sugar Company. The new price for cane will be \$7.40 and for beet \$7.30.

TORONTO, Oct. 26.—While Premier Drury and his cabinet ministers decline to enter into public discussion of the mooted Northern Ontario secession the general impression in political circles is that the agitation is confined almost wholly to the north-

principally to Fort Arthur and Fort William. no indications here of Mr. de Valera present whereabouts.

"A Face of Porcelain"

It is poor judgment to serve good food in pure, clean, taintless china or porcelain if it has been cooked in metal, or left standing in metal. Metal corrodes.

For the same reasons that food should be served in china or in porcelain, food should be cooked in

SMP Diamond or Pearl WARE

"A Face of Porcelain and A Heart of Steel"

Diamond and Pearl Ware are like unbreakable china.

Food cooked in Diamond or Pearl utensils does not come into contact with metal. The surface is heavily coated with porcelain. Porcelain does not tarnish, rust or corrode. Porcelain is acid-proof and alkali-proof. It collects no taint or stain. It gives off no foreign flavor. It is absolutely sanitary.

And to keep it clean, bright and new, simply wash Diamond and Pearl Ware utensils as you wash your dishes. Diamond or Pearl Ware mean less pot washing, and easier kitchen work.

Lower Prices

Notice the prices marked on Diamond and Pearl Ware utensils in the stores. The saucepan or the pot that sold for \$1.50 last summer can now be bought for 90 cents.

Diamond Ware

is light blue and white with all-white lining and three coats of SMP enamel. Made into household utensils of every size and for every purpose.

Pearl Ware

is grey and white with two coats of SMP enamel. In every household size and for every household purpose.

DRUG EVIL IS HUMAN CURSE

Dr. Hudson Gives Grave Warning in Address Before Social Hygiene Council—Indicts Other Practices

The grave and increasing peril of the narcotic evil, characterized by Dr. Hudson as "the human curse," was one of the outstanding matters under discussion in connection with the meeting last evening of the Victoria branch of the Social Hygiene Council. Dr. Hudson, who dealt on the subject at some length in his address on "Modern Tendencies as a Factor in Immorality of the Present Day," held that the sale of drugs should be regarded in the same way as murder, and should be punished in the same way.

"I can tell you as a medical man that the first sniff of cocaine is the fatal one, for only very rarely has the man or woman the moral strength to say 'Never again.' I keep under my word," averred Dr. Hudson in making his charge against the drug evil. "I know of nothing so terrible, and the law at the present time is not allowed to inflict a sentence on the purveyor of this human curse which is in any way adequate to the evil done. And, remember," said the speaker, "it is not the Chinaman alone who is in the cocaine ring. The white man, and worse still, the white woman, stands convicted, and the punishment does not fit the crime. To my mind, it is fouler than murder."

Hopeless Demoralization

He proceeded to describe the hold which the drug takes upon its victims. "The cocaine addict becomes hopelessly demoralized, and very soon loses his or her strength of will. We doctors know they are liable, and will take to stealing, and are general moral perverts, and the sexual instinct and general feeling of excitement is temporarily increased just as in the case of alcohol, only cocaine is far more deadly in requiring recourse to the drug in the reactionary stage when the feeling of well-being has passed off. The degeneration is intense, and the victim, during this time of demoralization, feels there is nothing to alleviate it but another dose of the drug. The electric magnet, and within five minutes the victim passes from depression to exhilaration. These unfortunate creatures will never start a cure today. It is always a case of 'Give me a shot today and I will promise you I will start tomorrow.' But in their case tomorrow never comes."

The modern craze for excitement and the restless spirit of the age, to which Dr. Hudson traced so many of the regrettable tendencies of the day, were accountable, he maintained, for the presence of the cocaine purveyor among us.

"The question is among the most difficult ones which Canada will have to solve," he felt. Canada, so near to China; the drug very light in weight and easy to smuggle; were two important factors in the problem.

Other Evils Enumerated

Dr. Hudson found other matters which justified some serious thought on the part of those who would see the evils eliminated. Better protection in traveling might be procured by having sections set apart in railway carriages so that the men's berths would be in one and the women's in another; mixed education, the modern craze for dancing, the passing of the chaperone, drinking of alcoholic liquors, and joy riding in connection with parties, immodesty of the modern girl's dress, and the detrimental influence of some of the "movie" pictures all came in for consideration. Speaking of the mixed educational system of this continent, Dr. Hudson admitted that it sprang from perfectly legitimate causes, "the time when it was an economic problem, and in some small townships might still be so." But in the larger towns he thought the boys and girls should at least be educated in separate classrooms, the boys being taught by men and the girls by women. The advantages of the co-educational system did not outweigh the disadvantages.

Immoral Dress

"I am an advocate of the short hy-

Ironized Yeast Brings Marvelous Beauty to Skin

Science Now Proves How Complexion is Quickly Beautified Through the Blood

There is nothing in the world today which is producing such a sensation as this simple discovery! Pick out anyone who has healthy rosy cheeks and a ravishingly beautiful complexion, and you have picked out an individual whose blood

"Ironized Yeast Has Cleared My Skin Quickly and Gloriously!"

is rich with vitamins and iron. This recipe of Nature, "Ironized Yeast," is now being used by thousands of men and women with startling, yet perfectly natural, results. It gives you yeast-fortified, ironized, containing iron in the form in which it exists in the human body. It is not a mere mixture of yeast and iron, but is yeast ironized, which is a substance all by itself. It gives you that great beauty robber, given way to a lily-pure white complexion, blackheads, spots, eruptions. They become practically an impossibility! Rosy cheeks, firmer and younger looking skin, rose-red lips, lovely softness—all natural! Imagine your favorite cream and powder. To think of it is lovely. To have it a modern miracle! Begin taking Ironized Yeast today. There is only one Ironized Yeast that the world is by all druggists at \$1.00 a package. Each package contains 40 tablets, each tablet is sealed. They never lose their power. Harold F. Ritchie & Co., Ltd., Toronto, Sales Agents. Get ready to be supremely happy.

6½% Fifteen-Year First Mortgage Sinking Fund Bonds

Dated 2nd October, 1922

Due 1st October, 1937

Principal and half-yearly interest (1st April and October) payable in lawful money of Canada at the Bank of Nova Scotia, Toronto, Montreal, or in U. S. gold at the agency of the Bank of Nova Scotia in New York, at the holder's option. Bonds may be registered as to principal. Denominations: \$500, \$1,000

Provision is made for a full sinking fund—to retire the whole issue at maturity.

Callable in whole but not in part on any interest date on sixty days' notice at 105 and interest until 1st October, 1925; thereafter in whole or in part on any interest date on sixty days' notice at 105 and interest up to 1st October, 1930, and thereafter at 103 1-4 and interest.

PAYABLE WITHOUT DEDUCTION FOR ANY TAX WHICH THE COMPANY OR TRUSTEE MAY BE REQUIRED TO RETAIN.

Subject to legal opinion of Messrs. Tilley, Johnston, Thompson and Parmenter.

Trustees: National Trust Company, Limited Toronto.
Mercantile Trust Company, San Francisco.

Capitalization

	Authorized	Issued
Bonds (6½% First Mortgage "this issue")	\$500,000	\$350,000
Preference Stock (7% Cumulative)	\$50,000	\$50,000
Common Stock	\$50,000	\$50,000

Important features from the President's letter:

- 1. THE BUSINESS**—The company manufactures a widely used line of counter check books, sales slips, etc., and autographic registers and supplies. The Company was incorporated in 1910 and has up-to-date and thoroughly equipped factories at Emeryville, San Francisco and Los Angeles, California.
- 2. MANAGEMENT**—The management of the company and the manufacturing and selling organizations are composed of men of proven ability and experience.
- 3. ASSETS**—Fixed Assets after deducting depreciation and exclusive of goodwill, and patents amount to \$487,551.58 (as of June 30th, 1922) which, with property since added, makes the total fixed assets \$707,041.50, being over twice the amount of the bond issue. Total net assets, exclusive of goodwill and patents and after deducting depreciation and all liabilities, amount to \$705,669.51, or three times the bonds outstanding.
- 4. EARNINGS**—Average net earnings after deducting depreciation (certificates of Messrs. Clarkson, Gordon & Dilworth) for the four years ending March 31st, 1922, amount to \$107,548.98, which is 4.7 times the bond interest requirements.
- 5. SECURITY**—
 - (A) The bonds are a direct and specific first mortgage on all the fixed assets of the company now owned or hereafter acquired.
 - (B) No additional bonds may be issued unless the earnings for the previous two years have averaged three times the interest requirements on the bonds issued and those about to be issued.
 - (C) Such additional bonds can be issued only to the extent of 50% of the additional fixed assets.
 - (D) Insurance—All property is insured to the full insurable extent in favor of the Trustee for the bondholders and U.S. and Occupancy insurance is also carried.
 - (E) Sinking Fund—Provision has been made for a sinking fund sufficient to retire the whole issue at maturity.

PRICE: 97½ and interest, yielding 6¾%

We recommend these bonds for investment.

Interest certificates will be issued pending the preparation of definitive bonds and should be ready for delivery on or about November 1st. Orders may be telegraphed or telephoned at our expense. We offer these bonds when, as, and if issued and received by us.

glenic skirt," said Dr. Hudson to free himself of the accusation of old-fashioned prejudice in his attack on the immoral dress worn by girls at dances.

"And the chief offenders are perfectly legitimate causes," he added. "I say unhesitatingly, it is a disgrace to our civilization, and women of heathen lands are amazed."

Girls going to dances unchaperoned threw blame on the parents. The mother should at least see that the young people returned home at a reasonable hour instead of going for a joy ride. Girls should be brought up to consult their mothers more on such matters, and the mothers should be more strict. The war had changed many things. Guarding the girl had become increasingly difficult. But mothers must take a bold stand on this question. The practice of making up parties at dances and repairing to some private room to enjoy cocktails was also most reprehensible. It was one of the gravest charges against dances at the present time. The mere fact of drinking in secret, which in itself undermined the character, made it a subject of condemnation. The open and above-board hospitality of the old-fashioned punch bowl and claret cup was infinitely better.

The Evils of the Films

"Much has been said of the educational value of the films, but I leave you to judge whether this is being used to anything like the extent to which it might," said the speaker when he came to this part of his address. The pictures might cater to public taste, but if the public taste was too low, it was up to the parents to do what they could to elevate it.

"But what can be done when we read the speeches of our politicians, our school trustees, police commissioners, and our city councillors? How often is it that they are anything but elevating, and degenerate into abuse and slang of one another?"

In conclusion, Dr. Hudson suggested to the Social Hygiene Council that they would get to a bigger part of the public with their propaganda if they would ask the clergy of all denominations in the city to put aside one special Sunday on which the subject of the immorality of the present day. This would reach thousands where the teachings at present were only heard by a few scattered units.

Others who spoke included Dr. Miller, who also announced the subject of the next lecturer to be "The Home as a Factor in the Life of the Child"; Rev. H. T. Archibald, who presided, and Miss Wark.

PERJURY CHARGE FAILS

VERNON, Oct. 26.—A. Cloughton was acquitted of perjury tonight by an assize jury. The jury deliberated half an hour. Cloughton recently was charged at Penticton with illegally selling liquor at Osoyoos last July 26.

He showed that he had spent that day in Penticton. He was acquitted. The Attorney-General then brought a charge of perjury against Cloughton.

Several witnesses testified today to seeing Cloughton at Osoyoos on July

30. Other witnesses testified that Cloughton was in Penticton that day. The jury found for the defendant.

A suspension bridge 100 feet long has been found in Africa, made entirely of reeds and grass.

A tug of war between an automobile and an airplane in California resulted in a draw.

Oil from huge water from ships has been killing fish by thousands in Chesapeake Bay.
